## Household Food Waste Processor and Kitchen Crusher

Let troubles flow with the water!

1. Health and health: timely dispose of food waste, no pollution in the kitchen, no smell, avoid the bacteria breeding in the kitchen garbage, attract flies, mice and other infections such as "cholera dysentery, typhoid fever, JE dengue fever and other diseases" endanger the health of family and baby.
2. Easy to clean: avoid garbage pollution on the floor, garbage cans, drains, rot, produce bad smell, pollute the environment, run upstairs and downstairs to run garbage, time and effort.
3. Simple use: small size, simple installation, easy operation, one-button start, no residue for ten seconds.
4. Saving environmental protection: reduce the use of plastic bags, avoid secondary pollution of food, reduce the amount of urban waste, and give you an environmentally friendly and healthy environment.
5. Low cost: strong power, low energy consumption, one minute a day, the annual electricity bill is lower than your imagination

Product parameters:

Model	SS-8375BB
Application	Home Use
Input Power	375W
Horsepower	1/2 HP
Voltage	110V/220V
Current	2.25A
Frequency	50/60Hz
Rated Rotary Speed	2800/3200RPM
Motor	Permanent Magnetic DC motor
Grinding Capacity	850ML
Grinding System material	Stainless steel 304#
Safety protection	Overcurrent & overload protection
optional sink connector	140mm,160mm,180mm
Sound-proof system	Double hollow structure
ON/OFF	Air Swith
Number of users	3-5 People
Warranty	2 years
standard life	8-10 years
Weight	4.0KG
Size	380mm(H) x 180mm(W)

More user-friendly byte display :

Silent design allows you and your baby to have a quiet sleep

Simple operation, easy installation and operation, easy to install and disassemble

Dishwasher interface, reserved dishwasher interface, more intimate design

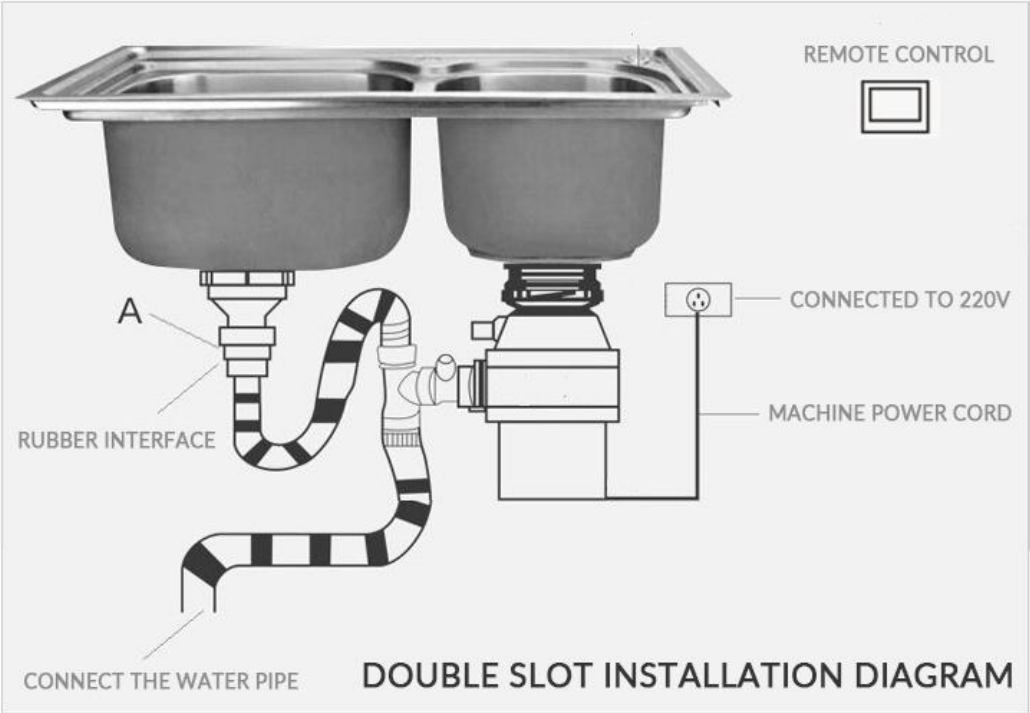

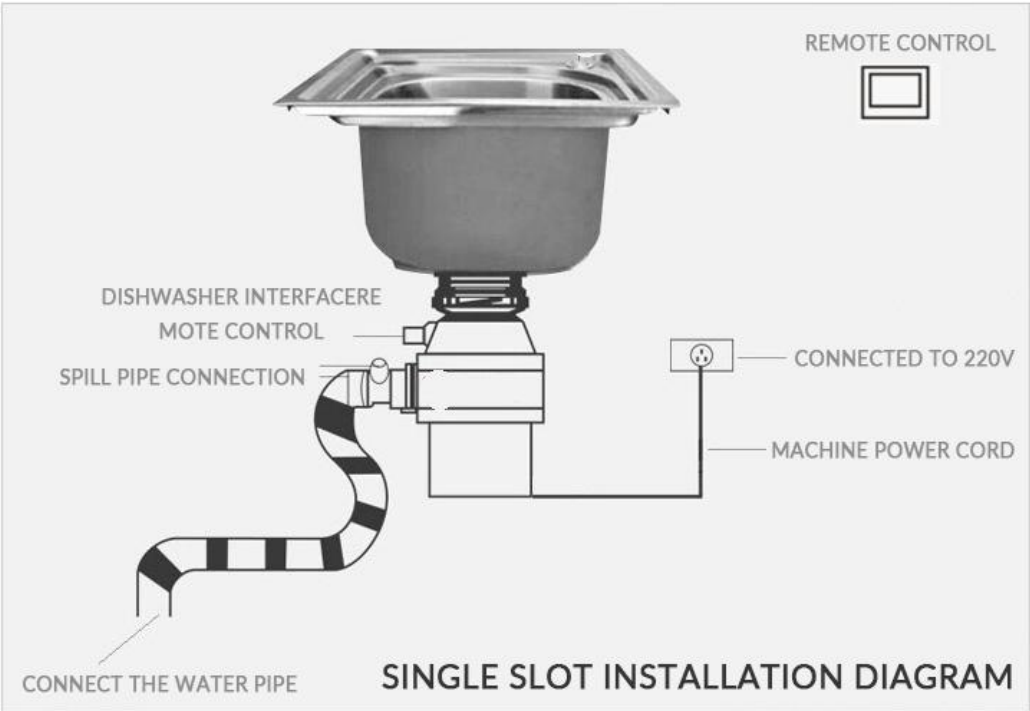

Five-stage grinding: This grinding level directly treats food waste to reach the Lijiang River state, which is more conducive to the discharge and sewer dredging.

Air switch: start and stop working with a single press of the sink

Hexagon wrench turntable: It is a lock when turning the hex wrench to rotate left and right, it will work normally and then press the reset button.

Blade: Permanent magnet AC drive technology with strong starting torque, high stability, stable operation and low noise
