| Model | SK-9375EB |
| Product Application | Home Use |
| Input Power | 375W |
| Horsepower | 1/2 HP |
| Voltage | 110V/220V |
| Current | 2.25A |
| Frequency | 50/60Hz |
| Rated Rotary Speed | 2600/2800RPM |
| Motor | Permanent Magnetic DC motor |
| Grinding Capacity | 700ML |
| Grinding System material | Stainless steel |
| Safety protection | Overcurrent & overload protection |
| optional sink connector | 140mm,160mm,180mm |
| ON/OFF | Air Switch |
| Number of users | 2-3 People |
| Warranty | 2 Years |
| standard life | 5 Years |
| Weight | 3.60KG |
| Product Size | 360mm x 135mm |

The kitchen sink waste disposer is based on the concept of creating with heart, constantly pursuing and constantly transforming, and strives to meet all the requirements of customers. It introduces a three-generation waste disposer with a three-stage grinding system, 360-degree fine-grained grinding, more efficient and more delicate; DC motor design, high torque, low noise and high efficiency.

Create with heart, serve the public, and the garbage processor not only has the first-class quality after breaking through the original garbage processor, reform and innovation, but also has a comprehensive and complete after-sales service system, so that you no longer have to worry about the situation of no one after the purchase.

How long can they be used?

If you use them with correct instructions and prevent from throwing prohibited waste and impacting by hard stuff. The lifespan can be up to 10 years.

.Are your plugs with 3 pin?

Yes. But we can customize the different plugs as per different countries and equipped with motor of correct voltage.

.Is the price different for the disposers with different colors?

Yes. The price will be different with different colors.

.Are there differences among the different colors of disposers?

If they belong to the same series, all the functions are the same except the colors. However, the function will be different with different series. Please contact our salesmen to solve the confusion for you.

.Can your disposers connect the dishwasher?

Yes, all of them can connect the dishwasher.

Components

With a breakthrough vertical mounting system,
the traditional screw fixing method is
abandoned, no need to use any tools
in installation.

We only need 4 main components to
make the installation more convenient.
