

Item No.	PY001
Material	SUS316
Accuracy	0.01
Process	Investment casting machining
Finish	Raw
MOQ	2000 PCS
Application	Automotive Industry

Why Paiyan?

- 1** Reliable Quality
 - Extremely accurate measurements and tolerance
 - Consistent surfaces and colors
 - No need to reworks
- 2** Excellent Service
 - One-stop service
 - Innovative solutions
 - Good English speaking employees
 - Quick response
 - Reliable delivery time
- 3** Wide range
 - Machining-Stainless steel 304/316L
 - Die-casting for Aluminum & Zinc
 - Plastic injection for ABS/PA/POM etc.
 - Rubber-EPDM/Silicone
- 4** Flexible Production
 - Small batch acceptable
 - Lean Production
