

### Optical Profile Grinding Wheel

Optical profile grinding wheels (OPG wheels) for precision grinding die and mold, punch pin, form grinding end mill and reamer, etc

### China Optical Profile Grinding Wheel Manufacturers and Suppliers

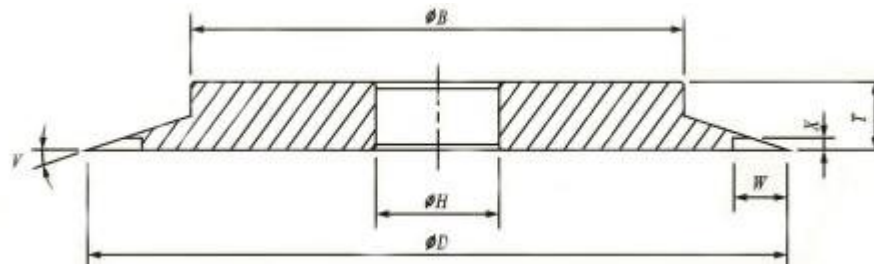

#### Applications of optical profile grinding wheel

Precise grinding mould and die, punch pin, optical grinding and form grinding cutting tool ( such as end mill and reamer) and precise instrument

**The workpiece materials:** Diamond :Super hard and brittle cutting materials (such as tungsten carbide, cermets, ceramic, etc) CBN: heat treated steel (such as SKH, SKD and SKS, etc)

**Applicable optical projection grinding machines:** WAIDA, WASINO, PROFILTEC, etc

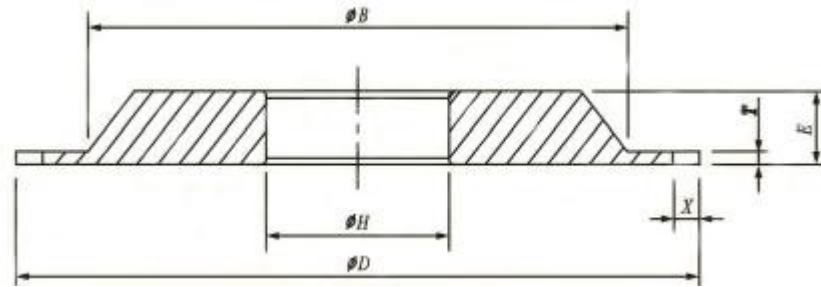

#### The specifications of optical profile grinding wheel
