

### Disposable Protective Kids 3 Ply Masks

As the professional manufacture, we would like to provide you high quality Fealter® Disposable Protective Kids 3 Ply Masks. Pingyang Peace continually strives to offer competitive pricing and on-time delivery while maintaining stringent standards of quality. Disposable Protective Kids 3 Ply Masks are made from melt-blown fabrics and it can prevent you from being attacked by people's spray particles and dust, which greatly lower the possibility. There are 5 types: white, blue, white with 3 different kinds of printing cartoon characters. The pictures are so cute that it can keep children's interest in it.

Besides, the material we use to print the images is edible. So it is safe for kids to wear them.

You can rest assured to buy customized Fealter® Disposable Protective Kids 3 Ply Masks from us. The company has always been oriented by customer demand and respect for talents, constantly improve their strength, improve service level and quality. With many European and American, Asian and domestic customers, we have established long-term good relationship with common progress. Sincerely expect to join hands with you to create the future.
