Wearing Steps of Fealter® FFP2 KN95 Face Mask:

1. Take the mouth mask, cover it with your nose and mouth, put on the earhook, and shape the nose clip according to the shape of the nose bridge.
2. Check whether the edge of the mask fits the face and finish wearing it. Avoid touching your hands with the inside of the mask during the process.

Attention:

1. Fealter® FFP2 KN95 Face Mask is prohibited to be used with damaged package;
2. Do not use in atmospheres containing less than 19.5% oxygen, as this respirator does not supply oxygen; Not for use in oil mist atmospheres;
3. If the product becomes damaged, soiled, or breathing becomes difficult, leave the contaminated area immediately and replace the product;
4. FFP2 KN95 Face Mask is one-time use only and can not be washed;
5. FFP2 KN95 face Mask should be stored in a clean, dry and ventilated environment with relative humidity less than 80% and without harmful gas.
6. It effectively protects you from virus. It is not recommended for patients with cardiovascular disease due to its high tightness.
