#### Product Description

We now have a highly efficient crew to deal with inquiries from clients. Our intention is "100% shopper pleasure by our merchandise quality, price tag & our staff service" and take pleasure in a very good standing amongst purchasers. With quite a few factories, we can easily provide a wide vary of 2021 New Style China Cheap Portable Washing Machine, The team of our company with the use of cutting-edge technologies delivers impeccable quality products supremely adored and appreciated by our customers worldwide.

2021 New Style China Cheap Portable Washing Machine, With the enterprising spirit of "high efficiency, convenience, practicality and innovation", and in line with such serving guidance of "good quality but better price, " and "global credit", we are striving to cooperate with the automobile parts companies all over the world to make a win-win partnership.

The cheap portable washing machine washing space is large, clothes can be fully stretched and washed, and the clothes can be washed more cleanly. Original quality motor, double motor, double heart. Strong and good heart, stable performance, powerful and durable. Bottom noise laundry, energy saving, low consumption, strong power, stable operation.

Moedel:	XPB50-2008S(55FS)
Wash Capacity:	5.0 Kg
Spin Capacity:	2.5 Kg
Wash Power:	250 W
Spin Power:	150 W
Voltage:	110V/60Hz ~ 220V/50Hz
Product Size:	625*385*700mm

Packing Size:	645*405*720mm
N.W./G.W.:	14.2/16.0 KG
MOQ/40HQ Container:	370 PCS

### Product Features

1. The cheap portable washing machine washing space is large, clothes can be fully stretched and washed, and the clothes can be washed more cleanly.
2. The cheap portable washing machine adopts original quality motor, double motor, double heart. Washing motor, through induction in the washing process, can accurately control the rotation speed of the inner barrel, washing is stable without losing power. The dewatering motor adopts eddy current air drying technology in the process of dehydration. When it is running, it can inhale air actively to form heavy air drying effect. It has strong wind power and quick drying.
3. Washing and drying should be carried out in different areas to avoid the secondary pollution of clothes in the process of dehydration. The cheap portable washing machine adopts separate three-dimensional dewatering bucket is conducive to the drying of residual water stains. The dehydration time can be set freely, which saves electricity and water, and has good washing effect.
4. The cheap portable washing machine 20 years of quality manufacturing. Double inlet design, simple and clear panel, air dry design of air dry drum.
5. The cheap portable washing machine is a corrosion-resistant box, PP plastic, not rusty, weight easy to handle.
6. Simple knob, complete function, triple protection, waterproof and electricity proof, no fault.
7. The cheap portable washing machine adopts insulated plug, flame retardant liner, safe, rubber safety handle, durable, leakage proof, lightning protection, protect family safety.
8. External cutting handle, the machine is more convenient to move, place everywhere, labor-saving and portable.
