

Federal Aviation

SPEED establishing close cooperative relations with more than ten well-known airlines - SPEED® Federal Aviation, so as to obtain ideal freight rates on the premise of ensuring shipping space.

Product Description

PEED® Federal Aviation

Check whether the packaging of the goods is complete and without damage, or open and repackage the goods as required by the customer.

Each article should be marked with shipping mark, so that customers can easily identify their own goods during customs clearance.

Assisted in customs clearance: tracked the whole process online until the receipt was signed for confirmation.
