

38mm Mineral Water Cap Folding Slitting Machine

38mm mineral water cap folding slitting machine combines the capacity of folding and cutting. optimizes and integrates both machines advantage into one small, highly-productive machine. such as machine is of top choice for major beverage cap manufacturers.

Product Description

38mm mineral water cap folding slitting machine

Introduction Of 38mm mineral water cap folding slitting machine

As a small, high-productivity machine, the automatic bottle cap folding and slitting machine has two functions of folding and cutting, and has been optimized and integrated.

Product Parameter (Specification)

Technical Parameter

Model	HJS2010
Min.cap diameter	15mm

Max.cap diameter	60mm
Production capacity(30*20 size)	6000-8000caps/h
Installed electrical power	1.5kw(50-60Hz)
Absorbed electrical power(approximate)	1.5kw
Compressed air consumption	1m ³ /h
Machine size(L*W*H)	1400*550*1800mm
Elevator machine size(L*W*H)	1500*800*2000mm
Machine weight(L*W*H)	310kgs

Feature Of 38mm mineral water cap folding slitting machine

The automatic bottle cap folding and slitting machine combines the functions of folding and cutting. Optimize and integrate the advantages of these two machines to become a small, high-productivity machine. For example, machine is the first choice of major beverage bottle cap manufacturers.

Application Of 38mm mineral water cap folding slitting machine

38mm mineral water cap folding slitting machine combines the capacity of folding and cutting.optimizes and integrates both machines advantage into one small,highly-productive machine.such as machine is of top choice for major beverage cap manufacturers.

Details Of 38mm mineral water cap folding slitting machine

These pictures show you the details of 38mm mineral water cap folding slitting machine, and hope to help you understand this product effectively.

Qualification Of 38mm mineral water cap folding slitting machine

Deliver,Shipping And Serving Of 38mm mineral water cap folding slitting machine

Packing:wooden case

TAIZHOU HONGJINGSHENG PLASTIC MOULD CO.,LTD.

Phone:+86-15990049143

E-mail: miya@hjsmould.com

WAY OF TRANSPORT:BY SEA,BY AIR OR BY RAILWAY.

PAYMENT:T/T.50% DEPOSIT,50% THE BALANCE OF PAYMENT BEFORE SHIPMENT.

FAQ

Q:How long does it take to install the equipment

A:38mm mineral water cap folding slitting machine is easy to installed,we have adjust all of machine parts,you just connect the electric and pneumatic then machine in regular work.

Q:How many people do you send abroad to install the equipment?
