

Cap assembling Machine For Add Aluminium Foil

Cap assembling Machine For Add Aluminium Foil is the automatic machine developed for assembling of several parts bottle caps. Cap assembling Machine For Add Aluminium Foil is the necessary machine for cap making factory, package factory, food factory and chemical factory.

Product Description

Cap assembling Machine For Add Aluminium Foil

Introduction Of Cap assembling Machine For Add Aluminium Foil

Cap assembling Machine For Add Aluminium Foil is the automatic machine developed for assembling of several parts bottle caps. Cap assembling Machine For Add Aluminium Foil is the necessary machine for cap making factory, package factory, food factory and chemical factory.

Product Parameter (Specification)

Technical Parameter

Model	JU2018
-------	--------

Working electricity	220V,customized
Production capacity(30*20 size)	8000caps/h
Installed electrical power	0.75kw(50-60Hz)
Absorbed electrical power(approximate)	1.5kw
Compressed air consumption	1m ³ /h
Machine size(L*W*H)	1.42*1.03*1.48m
Elevator machine size(L*W*H)	1.33*910*1.74m
Machine weight	350kgs
Elevator weight	50kgs

Feature Of Cap assembling Machine For Add Aluminium Foil

Due to manual cap of slow speed,low efficiency,the cap effect is not in place,resulting in increased cost of manufacturers.

In view of the market,our company independently developed the Cap assembling Machine For Add Aluminium Foil is developed to fill the gaps in the market.

Application Of Cap assembling Machine For Add Aluminium Foil

Cap assembling Machine For Add Aluminium Foil include:oil bucket cap,oil bottle cap,flip-top cap,vinegar cap,beverage cap,water cap and cosmetic cap etc.

Details Of Cap assembling Machine For Add Aluminium Foil

These pictures show you the details of Cap assembling Machine For Add Aluminium Foil, and hope to help you understand this product effectively.

Qualification Of Cap assembling Machine For Add Aluminium Foil

Deliver,Shipping And Serving Of Cap assembling Machine For Add Aluminium Foil

Packing:wooden case

TAIZHOU HONGJINGSHENG PLASTIC MOULD CO.,LTD.
Phone:+86-15990049143
E-mail: miya@hjsmould.com

WAY OF TRANSPORT:BY SEA,BY AIR OR BY RAILWAY.

PAYMENT:T/T.50% DEPOSIT,50% THE BALANCE OF PAYMENT BEFORE SHIPMENT.

FAQ

Q:How long does it take to install the equipment

A:Cap assembling Machine For Add Aluminium Foil is easy to installed,we have adjust all of machine parts,you just connect the electric and pneumatic then machine in regular work.

Q:How many people do you send abroad to install the equipment?

A:One person.

Q:What are your equipment manufacturing standards?

A:CE

Q:How do you pack the equipment?

A:Wooden case

Q:Can you design the equipment according to our size?

A:Yes.Cap assembling Machine For Add Aluminium Foil can be customized.

Q:How many years has your company made this equipment?

A:More than 20 years.

Q:How many employees does your factory have?

A:70

Q:Do you have any pictures of real equipment items?

A:Yes.

Q:How far is the hotel in your factory?

A:About 10 minutes.

Q:How far is your factory from the airport?

TAIZHOU HONGJINGSHENG PLASTIC MOULD CO.,LTD.

Phone:+86-15990049143

E-mail: miya@hjsmould.com

A:About 50 minutes by driving car.

Q:How long does it take from Guangzhou to your factory?

A:If you take a plane, need 3 hours.

Q:Where is your factory?

A:Taizhou, Zhejiang province.

Q:Do you provide free spare parts?

A:It depends on machine equipment.

Q:What is the applicable age range of Cap assembling Machine For Add Aluminium Foil?

A:Unlimited use.

Q:Do you have a detailed and professional installation manual?

A:Yes.

Q:Do you provide samples? Free or charge?

A:Less sample is free.

Q:What is your minimum order quantity?

A:For products,MOQ is 100000pcs.For mold and machine,the MOQ is 1 sets.

Q:Are you a trading company or a manufacturer?

A:Manufacturer.

Q:How long is your delivery time?

A: Machine:30-60 days

Mold:20-60 days.

Products:depends on quantity.

Q:How many production lines does your factory have?

A:We have 20 sets of injection molding machine to product Cap assembling Machine For Add Aluminium Foil.
