

SMC Sheet Automatic Cutter Machine

SMC Sheet Automatic Cutter Machine run smoothly, operate easily with fast cutting. Adopt Siemens PLC screen, Servo motor control, cutting automatic, the cutted length is adjustable, the surface laminating of SMC materials is rolled by up and down air swelling shaft, laminating is convenient to remount, it is the first choice of machine for SMC manufacturer.

Product Description

SMC Sheet Automatic Cutter Machine

Introduction Of SMC Sheet Automatic Cutter Machine

SMC Sheet Automatic Cutter Machine run smoothly, operate easily with fast cutting. it is the first choice of machine for SMC manufacturer.

Product Parameter (Specification)

Technical Parameter

Model	HJS-SMC
Working electricity	220V, customized

TAIZHOU HONGJINGSHENG PLASTIC MOULD CO.,LTD.

Phone:+86-15990049143

E-mail: miya@hjsmould.com

Production capacity(30*20 size)	6000caps/h
device power	1500w
Machine size(L*W*H)	3.2*2.5*1.7m
Machine weight	1.4ton
cutting speed	≥2s/min
weighing accuracy	+/- 50g
max weight	150KG
Max. allowable cutting width	1500mm

Feature Of SMC Sheet Automatic Cutter Machine

This SMC Sheet Automatic Cutter Machine is used in automatic feeding, automatic removing film and automatic cutting with accurate weighing of automobiles SMC materials, which can reduce labor intensity and improve labor efficiency. This equipment is mainly including: main motor, PLC, cylinder, cutter, conveying, weighing and safety protection.

Application Of SMC Sheet Automatic Cutter Machine

Each product process can be setted 5 groups lengths of different specifications and each group can be setted arbitrary number.

Details Of SMC Sheet Automatic Cutter Machine

These pictures show you the details of SMC Sheet Automatic Cutter Machine, and hope to help you understand this product effectively.

Qualification Of SMC Sheet Automatic Cutter Machine

Deliver, Shipping And Serving Of SMC Sheet Automatic Cutter Machine

TAIZHOU HONGJINGSHENG PLASTIC MOULD CO.,LTD.

Phone:+86-15990049143

E-mail: miya@hjsmould.com

Packing:wooden case

WAY OF TRANSPORT:BY SEA,BY AIR OR BY RAILWAY.
PAYMENT:T/T.50% DEPOSIT,50% THE BALANCE OF PAYMENT BEFORE SHIPMENT.

FAQ

Q:How long does it take to install the equipment

A: SMC Sheet Automatic Cutter Machine is easy to installed,we have adjust all of machine parts,you just connect the electric and pneumatic then machine in regular work.

Q:How many people do you send abroad to install the equipment?

A:One person.

Q:Can I send goods from other suppliers to your factory? Then load together?

A:It's no problem,But the goods need to declare separately.

Q:How to arrange your Spring Festival vacation

A:For office staff,we usually go to work on the Ninth of the first lunar month.And the holiday about 15 days.For workshop,they usually go to work on the fifteenth day of the first month of lunar year.

Q:Can your equipment be installed in hot weather?

A:Yes.

Q:Can your product be installed in cold weather?

A:Yes.

Q:Can you send your staff to our side to install equipment for us?

A:Yes.

Q:Can I buy only some spare parts from you?

A:For machine parts, if you purchase SMC Sheet Automatic Cutter Machine in our factory,we can provide some parts for you in the future.

Q:Will you participate in the exhibition?

A:Yes.We usually join Chinaplas and some foreign exhibitions.

Q:Can you send your equipment to the Guangzhou warehouse?

A:Yes.We usually quote Fob Ningbo price.If you need other terms,just let me know before place an order.

Q:How long will it take you to provide us with a design solution?

A:For design,3-7 days after received the prepaid.We only show the picture for reference and don't provide any 3D design of machine.

Q:What are your equipment manufacturing standards?

A:CE

Q:How do you pack the equipment?

A:Wooden case

Q:Can you design the equipment according to our size?

A:Yes. SMC Sheet Automatic Cutter Machine can be customized.

Q:How many years has your company made this equipment?

A:More than 20 years.

Q:How many employees does your factory have?

A:70

Q:Do you have any pictures of real equipment items?

A:Yes.

Q:How far is the hotel in your factory?

A:About 10 minutes.

Q:How far is your factory from the airport?

A:About 50 minutes by driving car.

Q:How long does it take from Guangzhou to your factory?

A:If you take a plane, need 3 hours.

Q:Where is your factory?

A:Taizhou, Zhejiang province.

Q:Do you provide free spare parts?

A:It depends on machine equipment.

Q:What is the applicable age range of SMC Sheet Automatic Cutter Machine?

A:Unlimited use.

Q:Do you have a detailed and professional installation manual?

A:Yes.

Q:Do you provide samples? Free or charge?

A:Less sample is free.

Q:What is your minimum order quantity?

A:For products,MOQ is 100000pcs.For mold and machine,the MOQ is 1 sets.

Q:Are you a trading company or a manufacturer?

A:Manufacturer.

Q:How long is your delivery time?

A: Machine:30-60 days

Mold:20-60 days.

Products:depends on quantity.

Q:How many production lines does your factory have?

A:We have 20 sets of injection molding machine to product SMC Sheet Automatic Cutter Machine.
