1. Product Introduction of Gold carousel rotary candle holder

1. [Hot Rotating Candlestick] Light a candle and place it directly under the fan of the stand. The heat generated by the burning candle will drive the fan to rotate. The idea was inspired by hot air balloons and carousels. No battery required. The rotating candlestick will create a wonderful party for you!

2. [Exquisite craftsmanship] The rotating candle holder is made of high-quality iron, which is durable and durable. The smooth and bright surface of the candle holder is electroplated, so it is not easy to fade or rust. In addition, the 5 angel pendants are all carved with laser, which looks exquisite and elegant.

3. [Easy Setting] The whole rotating tea candle holder includes 5 independent parts: a candle cup decorated with metal patterns, a fan, a support rod, a round metal base, and 5 angel pendants. You need to assemble them together. First, put the metal base on the candle cup, and then insert the support rod on the metal base. Then put the fan on the top of the pole, and use a hook to hang the angel pendant on the fan blade. Finally, you can enjoy a romantic evening.

4. [Multi-purpose] This rotating candle holder can not only enjoy the fun of candlelight at night, but also as a home decoration during the day. When the wind blows, the candle holder will also rotate.

5. [Widely used] Rotating candle holders create a relaxing and romantic atmosphere. It is an ideal gift choice for any occasion. It is also ideal for decorating Christmas, wedding, Thanksgiving, birthday, New Year, Valentine's Day, Valentine's Day, family gatherings and home decorations.

8. FAQ

Q: How can I get samples?

Shenzhen Jinzhen Technology Co., Ltd.

Tel: +86-13829138359

E-mail: info@hkjinzhen.com

A: We need to charge a sample fee. If your order is more than US\$5,000, we can refund the sample fee.

Q: What is your payment term?

A: Our payment term is 30% deposit while 70% to be paid by sight of the copy of B/L.

Q: How long is your production time?

A: The production time is determined according to the customer's order quantity. The general production time is 30-60 working days.

Q: Can you print the logo/ labels as our own design?

A: Yes, it is surely no problem. frosting, screen printing, decal, hot stamping, engraved etc. are available. We also can help with designing logo as per your requirements.

Q: What is your MOQ?

A: Normally our MOQ is based on the products. For products we have in stock, any quantity is ok. However for customized products, MOQ is 300 units.

Q: What are shipping options?

A: Usually, we suggest shipping by sea based on certain quantity because it is cheaper and safe. For small quantity, we usually suggest shipping by air which is much faster.

Q: How do you control quality?

A: We have a professional team for quality control. We assure the defective rate less than 3%.
