- 1: Give your holiday spirit a little more flare with this multi-level rotary candle holder. Product features:- Perfect for displaying multiple candles- Made of metal- Comes in a variety of colorsThis is designed specifically for holiday parties or special occasions.
- 2: All you have to do is light up this candle and let it do its work. As it melts, the base starts to rotate, creating a comforting, hypnotizing motion.
- 3: Spin the reindeer to turn the candle inside the holder for a festive look any time of year.
- 4: I'm a little metal reindeer and I'm so excited to be a part of your Christmas decoration this year. I'm in the shape of a circle and I'm super easy to hang up with my wire loop. You can put me anywhere in your home or office and I'll be the great addition to your tree ornaments.
- 5: The reindeer rotary candle holder is a whimsical way to enjoy the festive season. Make your holiday décor pop with this modern take on a Christmas tradition.
