### Buy Cheap DIY Acoustic Fabric Wrapped Panel Made in China

We constantly stick to the theory "Quality To start with, Prestige Supreme". We have been fully committed to offering our consumers with competitively priced quality products and solutions, prompt delivery and qualified service for DIY Acoustic Fabric Wrapped Panel, Besides, our firm sticks to high quality and affordable cost, and we also present great OEM companies to many famous brands. ODM Supplier China DIY Acoustic Panel Fabric, Fabric Wrapped, Our products and solutions are sold to the Middle East, Southeast Asia, Africa, Europe, America and other regions, and are favorably appraised by clients. To benefit from our strong OEM/ODM capabilities and considerate services, be sure to contact us today. We will sincerely create and share success with all clients.

#### 1.Introduction of DIY Acoustic Fabric Wrapped Panel

QDBOSS Fabric wrapped acoustic panel is made by high quality fiberglass board with different flame retardant fabric. This type of acoustic panel is environmental friendly, widely used, sound absorption, well decorative, easy installation, no dust pollution etc. The fiberglass board is much more eco-friendly than rockwool board, less pollution in production process. The DIY Acoustic Fabric Wrapped Panel is designed to absorb harsh, distracting noises including echo and reverb to help the right sound through and resonate with audiences. Hardened edges for our acoustic panel can well increase durability in Cinema, Multi-purpose Rooms, Meeting room, KTV, Hotel, Music Rooms, Auditoriums and Theaters.
