3. Detail of Toilet Seat Europe

Material

Our high-quality Toilet Seat Europes are made of finely pulped softwood which is then pressed (MDF). The material is skin-friendly, offers exceptional comfort and a particularly fine finish.

Soft close function:

The toilet lid has a lowering function and an easy-close system, no noise. Chrome hinges also provide greater stability.

Design

E-mail: elsa@szfineera.com

The variety of patterns and designs, applied to one to three surfaces on the toilet seat, customized solid colors are also popular in Europe and North America. We accept OEM and ODM.

Installation:

Our Toilet Seat Europes come in a standard size with adjustable hinges so they fit on almost all commercial toilet bowls (wall-mounted or pedestal). Quick and easy installation is guaranteed thanks to the quick-fastening set included.

Dimensions:

L/W/H 43.5 x 37.5 x 5 cm – The length "L" is specified without the universal hinges on the toilet lid. The mounting holes on the toilet can be spaced from 10.5 to 20 cm apart for optimum seat installation.

Cleaning:

The smooth surface of the toilet lid is impressively hygienic and easy to clean, suitable for standard commercial cleaning products and offers maximum hygiene. High-quality, strong MDF and sturdy metal hinges also ensure durability and excellent stability.
