

Heating stage

Heating stage with digital eyepiece can be used to study and determine the thermal properties of the material not only with ordinary eyepiece, but also with advanced color CCD through a television or display (provided by the customer). It can be used to measure the melting point of micro sample, slice sample and bioengineering thermodynamics.

1. Heating stage Introduction

Innovation points to improve efficiency:

- 1: Closed furnace body to ensure stable temperature;
- 2: Accurate heating rate 0.1-20.0 steplessly adjustable;
- 3: Adopt TFT true color touch screen.

2. Heating stage Parameter

Model	JH350
temperature range	Room temperature -350°C
Heating rate	(0.1-20) °C/Min 200 gear steplessly adjustable
Temperature resolution	0.1°C
Temperature control accuracy	±0.3°C
Display method	TFT high-definition true color screen
Data interface	USB / RS232 / SD / Ethernet port
Glass slide/cover glass specifications	76*19*1 / 15*15*0.5mm
Vision	2mm
Sample lens working distance	At least 7mm
X-Y table	Move up to 13mm
size and weight	185*85*28mm / 1kg
User Management	NO
Number of method segments	1
Experimental method storage	10 set
Save result	200 pcs
Optional accessories	Biological microscope, offset microscope (optional)

3. Heating stage Feature And Application

1. Closed furnace body to ensure stable temperature;
2. Precise heating rate 0.1-20.0 poleless adjustable;
3. Adopt TFT true color touch screen;
4. Up to 20 sets of methods, each set with a maximum of 99 paragraphs.
5. Maximum temperature to 350°C.

4. Fields of use Product

Microthermal platform is widely used in medicine, chemical industry, synthetic fiber, biology, mineralogy, criminology and other fields.

5. Product Qualification

Jiahang Product has obtained CE certification, TART certification, ISO quality management system certification, more than 10 software copyrights and multiple patents to ensure that each instrument has stable performance and excellent quality.

6. Deliver,Shipping And Servng

We have a top R&D team returned from Europe and America, cooperate with our superb manufacturing team, professional sales team and dedicated service team, working together to provide customers with high-tech, high-quality products and efficient, convenient, Comprehensive pre-sales and after-sales professional services.

7. FAQ

How many years have your company made Heating stage ?

22 years of scientific instrument manufacturer, laboratory solution provider!

Which certificate do you have for your products?

Jiahang has obtained CE certification, TART certification, ISO quality management system certification, more than 10 software copyrights and multiple patents to ensure that each instrument has stable performance and excellent quality.

Will you will attend the fair to show your products?

Yes, Every year we will participate in some internationally renowned exhibitions to launch our new products, such as Arablabs, PICCTON, Analytica Russia, Lab Africa, Analytica Germany, Analytica Latin America and so on,we are looking forward to your visit.

How about your company's R&D strength

Possess strong R&D technical capabilities (a R&D team of more than 20 people, with an average degree of doctorate degree, graduated from well-known universities at home and abroad, with an average work experience of 8 years), able to deal with and solve product-related technical problems

If OEM is acceptable?

Provide OEM customization service, product built-in software has autonomy, can customize development settings

Are you a trading company or a manufacturer?

☎ 0086 17721148861

100% manufacturer, no middlemen and distributors make the price difference, the price of the source factory is very advantageous; Jiahang is headquartered in Shanghai, China, has 15 service outlets and 2 production plants in China, and has sales in more than 10 countries overseas proxy.

How about your delivery time?

"Generally, it will take 7 to 15 working days after receiving your advance payment. Depend on the quantity."

Which payment can be acceptable ?

We could accept the payment by L/C, TF, Paypal , Western Union,etc.

Service

We could provide Online instruction ; Real-time support by video-ca or voice-chat.

Any customer who cooperates for the first time promises to provide a production cost price trial opportunity to solve your worries about product quality problems.

Provide official product quality assurance documents that comply with legal benefits to escort you with worry-free after-sales service.
