

JA electronic precision balance

JA electronic precision balance is a new product developed by the main research and development. The advanced and reliable automatic weighing mechanism is adopted inside, so that the balance has the automatic built-in weight calibration function, thus greatly improving the use performance and weighing accuracy of the balance. In the domestic balance industry in the leading position.

1. JA electronic precision balance Introduction

JA electronic precision balance is a new product developed by the main researcher.

2. JA electronic precision balance Parameter

Model	Weighing range	Readability accuracy	Weighing pan size	N.W	Package Size	Working space height	Calibration method
JA1003C	0-100g	1mg	Φ90mm	6.8kg	480×375×515mm	240mm	Internal calibration
JA2003C	0-200g	1mg	Φ90mm	6.8kg	480×375×515mm	240mm	Internal calibration
JA3003C	0-300g	1mg	Φ90mm	6.8kg	480×375×515mm	240mm	Internal calibration

3. JA electronic precision balance Feature And Application

- Humanized design, novel structure, five sides all transparent glass windshield. Using a new generation of electromagnetic balance type weighing sensor, to ensure the high precision of the product. With automatic fault detection, linear four-point calibration, overload protection and other applications.
- The use of large digital integrated circuit board, is the guarantee of product precision. Adopt double CAM mechanism to realize automatic internal calibration function, so that the product is more stable and fast.
- Balance with "preheating" "calibration", screensaver and other applications.
- Large LCD screen with backlight. Make the operator's vision more soft and clear.
- With piece-counting, unit conversion (metric carat, gold ounce, etc.), stability, full-range peeling, zero tracking and other functions, the operation is more simple and reliable.
- Internal automatic calibration, so that the balance operation is more convenient, stable performance, accurate.
- Built-in RS232C output interface, can be directly connected to computers, printers and other external equipment.

4. JA electronic precision balance detail

Balance equipped with:

Balance mainframe, scale plate, adapter, manual, product certificate, warranty card, standard weight, dust cover, cleaning cloth, brush, tweezers.

5. Product Qualification

Jiahang Product has obtained CE certification, TART certification, ISO quality management system certification, more than 10 software copyrights and multiple patents to ensure that each instrument has stable performance and excellent quality.

6. Deliver,Shipping And Serving

We have a top R&D team returned from Europe and America, cooperate with our superb manufacturing team, professional sales team and dedicated service team, working together to provide customers with high-tech, high-quality products and efficient, convenient, Comprehensive pre-sales and after-sales professional services.

7. FAQ

How many years have your company made JA electronic precision balance ?

22 years of scientific instrument manufacturer, laboratory solution provider!

Which certificate do you have for your products?

Jiahang has obtained CE certification, TART certification, ISO quality management system certification, more than 10 software copyrights and multiple patents to ensure that each instrument has stable performance and excellent quality.

Will you will attend the fair to show your products?

Yes, Every year we will participate in some internationally renowned exhibitions to launch our new products, such as Arablabs, PICCTON, Analytica Russia, Lab Africa, Analytica Germany, Analytica Latin America and so on,we are looking forward to your visit.

How about your company's R&D strength

Possess strong R&D technical capabilities (a R&D team of more than 20 people, with an average degree of doctorate degree, graduated from well-known universities at home and abroad, with an average work experience of 8 years), able to deal with and solve product-related technical problems

If OEM is acceptable?

Provide OEM customization service, product built-in software has autonomy, can customize development settings

Are you a trading company or a manufacturer?

☎ 0086 17721148861
✉ bentian@jiahanglab.com
🌐 www.jiahanglab.com
📞 0086 021 59904405

100% manufacturer, no middlemen and distributors make the price difference, the price of the source factory is very advantageous; Jiahang is headquartered in Shanghai, China, has 15 service outlets and 2 production plants in China, and has sales in more than 10 countries overseas proxy.

How about your delivery time?

"Generally, it will take 7 to 15 working days after receiving your advance payment. Depend on the quantity."

Which payment can be acceptable ?

We could accept the payment by L/C, TF, Paypal , Western Union,etc.

Service

We could provide Online instruction ; Real-time support by video-ca or voice-chat.

Any customer who cooperates for the first time promises to provide a production cost price trial opportunity to solve your worries about product quality problems.

Provide official product quality assurance documents that comply with legal benefits to escort you with worry-free after-sales service.
