We get in touch.

China Brass Enlarger IP68 Price

JIXIANG CONNECTOR® Brass Enlarger are made of nickel plated brass can transform different threads OD freely; Change smaller Thread to larger Thread.

Why use Nickel Plated Brass Enlarger?

Applying a nickel coating to the brass stops corrosion, as the nickel barrier completely envelops the brass. Easy loading: Both nickel or brass cases make for easy reloading, but nickel-plated brass has a lower coefficient of friction than just brass.
