

Cylindrical Needle Roller

Cylindrical Needle Rollers are usually cylindrical in shape and precision engineered from high quality raw materials cutting edge technology. Besides, our company also produces other precision fasteners of different types and materials. Our price is excellent and the quality is excellent, and we look forward to becoming your long-term partner in China.

1. Product Introduction

Cylindrical Needle Rolles are generally cylindrical, strong in construction, can withstand large loads, and can be used for long periods of time. Cylindrical Needle Rolles are very strong and can work faster, the rollers do not require extensive maintenance and are less expensive to repair.

2. Product Parameter

Product Name	Cylindrical Needle Roller
Material	Alloy, Stainless steel etc.
Surface Treatment	Knurled, Plating etc.
Package	Plastic bag and carton
Used	Building industry machinery etc.

3. Product features and applications

Although Cylindrical Needle Rollers are usually cylindrical, some individual bearings have a concave profile or a convex barrel shape depending on the type and condition. Cylindrical Needle Rollers can easily withstand harsh conditions. Needle rollers effectively reduce the interaction between gearbox and bearing. The clearance between these rollers ensures even load distribution.

4. Product Details

Below is the detailed picture introduction of our product Cylindrical Needle Rollers. The images shown are representative of the product. In addition, we also have products of various sizes and materials for you to choose from.

5.About our company

Cylindrical Needle Rollers are one of our products, We also have a wide variety of products and different materials for you to choose from. If you are not satisfied with our products or have any questions, please feel free to contact us. We will formulate a satisfactory. We have a deep focus on the quality, delivery and operational performance of all the products we deliver. We specialize in the production of precision fasteners, and We are committed to providing impeccable quality products at relatively lower prices than our peers to meet the needs of different customers. Look forward to working with you.
