

HE 10Pin Industrial Heavy Duty Connector

SENTUO is the factory specializing in the production of HE 10pin industrial heavy duty connector in China. HE 10Pin Industrial Heavy Duty Connector are mainly used in the following devices of the automobile assembly lines . Widely used in robotics, machinery, rail and power areas, designed to transmit power, data and signal in the toughest of conditions. With 10year experience in supplying the automation connector, now we take 30% share in domestic market in China with lower price and good quality. Our products are

approbated by customers all over the world, looking forward to be your long-term partner in China.

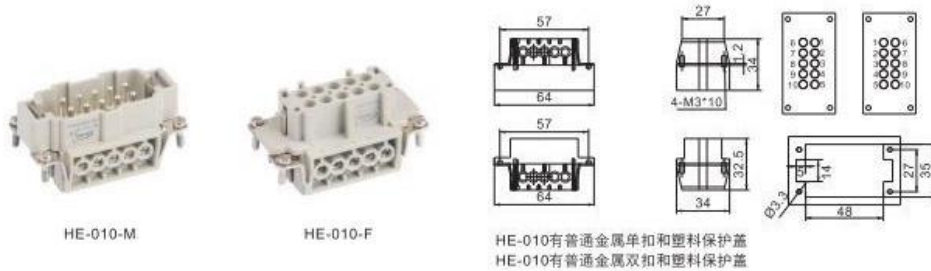

Product Introduction

As the professional manufacture, we would like to provide you HE 10Pin Industrial Heavy Duty Connector. It is a growing company that is constantly striving to improve its quality. We would like to work with you on a long-term basis. HE 10Pin Industrial Heavy Duty Connector are mainly used in the following devices of the automobile assembly lines. Widely used in robotics, machinery, rail and power areas, designed to transmit power, data and signal in the toughest of conditions. HE inserts can be ordered with standard screw clamp connections, spring clamp or crimp style contacts. A wide range of inserts make for connectors from 6 to 48 positions. Cable hoods are available in top or side entry and in low or tall models to accommodate more or larger wires.

The hoods and housing of the HE 10Pin Industrial Heavy Duty Connector are extremely impact-resistant and robust surface due to powder coating to enable the usage in harsh environment, available in many versions. Protection degrees is in IP65 & IP67. Standard, pressure-tight, EMC and corrosion resistant variants. Anti-corrosion series with excellent protection against corrosion and environmental influences due to hard anodic oxidation layer. Bulkhead or surface mounting

TECHNICAL:

| | |
|---------------------------|-------------------------|
| Number Of Contacts | 10 |
| Rated Current | 16A |
| Rated Voltage | 500V |
| Rated Impulse Voltage | 6KV |
| Pollution Degree | 3 |
| Insulation Resistance | $\geq 10^{10}\Omega$ |
| Flammability Acc. To UL94 | V0 |
| Degree of protection | IP65 |
| Connection type | Screw |
| Contacts: | |
| Material | Copper Alloy |
| Contact Resistance | $\leq 1\text{m}\Omega$ |
| Wire Gauge | 0.14-4.0mm ² |
| AWG | 26-14 |
| Tightening Torque | 0.5N·m |

FAQ:

Q1: Are you a trading company or factory?

A2: We are the factory.

Q2: What is the acceptable payment term?

A2: Credit Card, West Union, Paypal or T/T.

Q3: The hood is available in top or side entry?

A3: Yes.

Q4: What is the package could be?

A4: We can make special design as your requirement.

Q5: Could be the replacement for Harting etc brand?

A5: Yes, with good quality and much more reasonable price.

Q6: What is the AWG size available?

A6: Different model with different size, please confirm with us.

Q7: What is the guarantee?

A7: 1 Year under the normal service condition.
