Product Introduction

This PA Type Tension Clamp is used to fix the end of inside line, also suitable for insulated low-voltage ABC cable. It is also suitable for ADSS fiber cable. The shell and wedge are made of high strength, UV resistant thermoplastic, reinforced by fiberglass. The manufacturing process is plastic injection technology. Stainless steel wire bail is rust-proof which guarantee long time usage and it can be attach on pole brackets, wall angles and hooks easily.

The installation of this PA Type Tension Clamp is very easy and convenient, self-adjusting wedges, which provide the tool free installation and it can hold ADSS cable without jacket damaging. ADSS tension clamps passed a series of standard related type tests which are available in our internal laboratory. Such as tensile strength test, corrosion resistance test etc.

- 1)PA Type Tension Clamps are in accordance with NFC 33-041, the body materials are UV-resistant.
- 2)They are characterized by high mechanical stability, reduced dimensions for easier handling, high mechanical and climatic resistance.
- 3)No tools required.
- 4)There is flexible stainless steel wire with the clamp.
- 5)The Tension Clamp is suitable for insulated neutral 25 mm²-120 mm². The minimum breaking load can up to 5kN

TECHNICAL DATA:

Type	Cable Size (mm ²)
PA1500	25-50
PA2000	70-120

ABOUT US

ZHEJIANG SENTUO ELECTRIC CO.,LTD

is the professional manufacturer of high quality low voltage ABC accessories, was founded in 2008. Our main products include Insulation piercing connectors, anchoring clamps, suspension clamps, Strain clamps, Insulated joints and lugs, resin-filled waterproof junction box, street light junction box and heavy duty connectors.

FAQ:

Q1: Are you a trading company or factory?

A2: We are the factory, and we are the supplier of 35% company in this field.

Q2: What is material could be for the bail of the clamps?

A2: 201 & 304 stainless steel and iron are available.

Q3: What is the acceptable payment term?

A3: Credit Card, West Union, Paypal or T/T.

Q4: What is the package could be?

A4: We can make special design as your requirement.

Q5: What is your day capacity?

A5: 5000-10000pcs
