

Plastic Anchor Clamp

Model:STA/STB/STC

The anchors help to prevent the collapse of the material before the ceramics are combined during construction and heating, and also help to make the material shrink uniformly and prevent the liner from forming large and concentrated cracks. You can rest assured to Plastic Anchor Clamp from our factory and we will offer you the best after-sale service and timely delivery.

Product Introduction

Plastic Anchor Clamp

The anchor clamp (dead end clamp) composed of an opened thermoplastic body with very high mechanical and climatic resistance, an inner sheath consisting one or two insulating plastic wedges ensuring the clamping of the neutral messenger without damaging cable insulation, is designed to fix low voltage aerial bundled conductors, normally are round cable and ADSS in a certain position against the effects of static load, thermal stress, mechanical rotation or vibration. The anchors help to prevent the collapse of the material before the ceramics are combined during construction and heating, and also help to make the material shrink uniformly and prevent the liner from forming large and concentrated cracks.

- Movable wedge allows tool free installation.
- The body is made of weather and UV-radiation resistant thermoplastic.
- The bail made of hot-dip galvanized steel.
- The anchor clamps are designed to supporting the neutral messenger, the wedge can be self-adjusting.
- Standard: NFC 33-042, EN 50-483.

TECHNICAL DATA:

Type	Cable Size (mm ²)
STA	1*(10-16)
STB	2*(16-25)
STC	4*(16-25)

FAQ:

Q1: Are you a trading company or factory?

A2: We are the factory, and we are the supplier of 35% company in this field.

Q2: Are you able to customize the product for me?

A2: Yes, we owns the professional R&D team and complete Injection molding machine.

Q3: What is the acceptable payment term?

A3: Credit Card, West Union, Paypal or T/T.

Q4: What is the package could be?

A4: We can make special design as your requirement.

Q5: What is your day capacity?

A5: 10000-20000pcs
