Product Description

Full Face Dot Ece Motorcycle Helmet Introduction

Full Face DOT ECE Motorcycle Helmet. It is a handsome gray Motorcycle Helmet. This helmet is very handsome, it uses safe and environmentally friendly spray paint dyes, which are not harmful to the human body. The shell of the helmet is made of ABS composite material, which is hard and durable and can absorb more impact energy. This helmet can keep you safe while riding. The helmet has a special design that includes a manual air vent that you can open on a hot summer day to keep your head cool. This is a low price and excellent performance product for you.
