

EPS Polystyrene CNC Cutting Machine

Ningbo PinSheng Machinery Manufacturer as one of the leading EPS Machine manufacturers in China, we are also providing Pinsheng® EPS Polystyrene CNC Cutting Machine to worldwide clients, our machines are loved by customers because of their reliability and low energy consumption. If you are interested in EPS Polystyrene CNC Cutting Machine, we will be your best Choice!

Product Description

EPS Polystyrene CNC Cutting Machine

We depend on sturdy technical force and continually create sophisticated technologies to meet the demand of top grade reliable supplier of the Pinsheng® EPS Polystyrene CNC Cutting Machine, Welcome around the world customers to make contact with us for enterprise and long-term cooperation. We're going to be your trustworthy partner and supplier of auto pieces and accessories in China.

top grade reliable supplier of the Pinsheng® EPS Polystyrene CNC Cutting Machine, In the increasingly competitive market, With sincere service high quality merchandise and well-deserved reputation, we always supply customers support on items and techniques to achieve long-term cooperation. Living by quality, development by credit is our eternal pursuit, We firmly believe that after your visit we'll become long-term partners.

Model:PSBC3000-6000B

Brand: PINSHENG

1. Control System	Variable frequency stepless speed regulation. Guide rail drive to smooth cutting of products.Motor speed reducer is integrated.
2. Structure Design	Welded by square tube and steel, compact in structure and beautiful in appearance. High-power gear transformers.
3.Processes	Automatically cut horizontally, vertically, suitable for block cutting. Neutral reset device. Three rows of wire drawing.
4. Production Efficiency	High cutting efficiency and accuracy. Reduce spare time for 3-10min Cut the thickness of the plate to a minimum of 3mm.
