FAQ

Q1: Are you a factory or trading company?

We are professional sanitary ware trade and manufacturer for 10 years.

Q2: How long is your production time?

Usually, it takes 30-45 days after deposit received. The specific production time depends on the items and the quantity of your order.

Q3: What's your terms of payment?

If the order amount is less than 5000USD, 100% before production. If the amount is more than 5000USD, T/T 30% before production and the rest before shipment. We will show you the photos of the products and packages before you pay the balance.

Q4: What's your terms of delivery?

EXW, FOB, CFR, CIF, DDU

Q5: Can you provide OEM/ODM service?

Yes. OEM/ODM production is acceptable.

Q6: How can I get samples?

We are glad to offer you samples for test. Leave us message of the item you are after and your delivery details. We will let you know the details of packing information, shipping company, delivery time and cost. The samples could be sent by FedEx or DHL or or UBI other international express you would like.

Q7: Can you produce according to the samples?

Yes, we can produce by your samples or technical drawings. We can build the molds and fixtures.

Q8: What is your terms of packing?

Normally our products are packed by neutral boxes. However, if you like them to be packed by your own design box, please let us know and we can discuss this.
