

## Industrial And Home Use Exhaust Fan Series With High Efficiency Exhaust Fan

Industrial And Home Use Exhaust Fan Series With High Efficiency Exhaust Fan. Exhaust fan series have motor with high volume, high efficiency, and low energy consumption, fully enclosed.

### Product Description

#### Exhaust fan series

China manufacturer high quality industrial and home use exhaust fan series with High Efficiency Exhaust Fan

#### product introduction of the exhaust fan series

Exhaust fan series have motor with high volume, high efficiency, and low energy consumption, fully enclosed.

#### product specification of the exhaust fan series

Material	Aluminum
Brand name	JUGE
voltage	380V/220V/110V
Use for	Greenhouse, poultry house etc.
Product name	Exhaust fan series
color	Many color for choosing
size	custom
power	Different power

#### product feature and application of the exhaust fan series

Exhaust fan series Performance characteristics:

It strengthens indoor air movement, which effectively maintains indoor temp, and the uniform humidity.

It uniquely adopts the external rotor or air-conditioner motor, the large airflow and low noise can satisfy the application in various low noise occasions.

World famous energy-saving technology and thermal auto protection system;

### **product details of the exhaust fan series**

Our factory produced the exhaust fan series by advance equipment with strict quality.All product polishing surface then powder coated.It can effectively strengthen indoor ventilation.Easy to install and stamping corner code is more firm.

## FAQ ( Frequently Asked Questions )

Give us a chance,we will offer our best!

Q1: How to guarantee the quality of the product?

A1: We have our own QC team to control product's quality during producing.

Q2: How to pack exported goods ?

A2: Paper corner protected + PVC bag + strong carton box (Standard Export Packing).

Q3: How long for a full container 20/40ft be finished ?

A3: Usual 15-20 work days once revied advance payment.

Q4: What we need to quote the best price for you ?

A4: Just send us an inquiry, so easy!

Q5: Can we get samples?

A5: Of course yes, we offer sample free!

### **About Us**

NINGBO JUGE Electromechanical Equipment Co.,Ltd is a professional China air diffuser and grille manufacturer and China air diffuser and grille supplier. NINGBO JUGE Electromechanical Equipment Co.,Ltd is a professional enterprise of HVAC equipment and accessories. We can offer strong technical power and solid technical strength. We devote to innovating and developing novel advanced products with strict quality. Our Main products are Air diffuser and grille, Access door and panel, Air conditioner outer grille, Flexible duct, Shutter for ventilation, Exhaust fan series, Volume control damper, Axial fan, Wrought iron series and Spare part&accessories.

Our factory have more than 10years of production experience. 30% of our products exhaust fan series have export to Europe, United States, Middle East and South-East Asia and other countries. According to the current development, we have been learning the advanced technology to improve the quality of products continually and adjust product structure so that we can meet the high-level demands of customers from different regions. Under the "Quality first, customer paramountcy", we sincerely welcome you to contact us for cooperation.
