

## Industrial HVAC Axial Fans

HVAC system greenhouse extractor fan axial airflow silent hvac decorative fan Landing removable external rotor axial fans. Industrial HVAC axial fans high quality motor 100% copper wire coil, low noise, low consumption, stable and safe, widely used in the general environment of the factory, workshops, warehouses, basements etc, for ventilation and improving environment.

### Product Description

Industrial HVAC Axial Fans

HVAC system greenhouse extractor fan axial airflow silent hvac decorative fan Landing removable external rotor axial fans.

### product introduction of the Industrial HVAC Axial Fans

100% copper wire motor for industrial HVAC axial fans.

High quality motor for heavy duty use.

Metal Blade with grill for safety.

With high speed for large air volume.

Strengthened thick duct fan body make the axial fans long lifespan.

Widely used in the general environment of the factory, workshops, warehouses, basements etc, for ventilation and improving environment.

### product specification of the Industrial HVAC Axial Fans

Material	Stainless Steel, metal or custom
Brand name	JUGE
motor	High quality
function	For ventilation
Product name	Axial fan
size	custom

Installation	Landing removable
--------------	-------------------

## **product feature and application of the Industrial HVAC Axial Fans**

Axial fans high quality motor 100% copper wire coil,low noise,low consumption,stable and safe.

Aluminum blades advance spraying process keep clean and long time large air volume. Strong frame with good rigidity light weight beautiful and easy to install.The structure parts made of high quality steel sheet by punching.

## **product details of the Industrial HVAC Axial Fans**

Our factory produced the Industrial HVAC Axial Fans by advance equipment with strict quality.All product polishing surface then powder coated.It can effectively strengthen indoor ventilation.Easy to install and stamping corner code is more firm.

## FAQ ( Frequently Asked Questions )

Give us a chance,we will offer our best!

Q1: How to guarantee the quality of the product?

A1: We have our own QC team to control product's quality during producing.

Q2: How to pack exported goods ?

A2: Paper corner protected + PVC bag + strong carton box (Standard Export Packing).

Q3: How long for a full container 20/40ft be finished ?

A3: Usual 15-20 work days once revived advance payment.

Q4: What we need to quote the best price for you ?

Ningbo JUGE Electromechanical Equipment Co.,LTD

Phone:+86-13396633530

E-mail: nick@nbjuge.com

A4: Just send us an inquiry, so easy!

Q5: Can we get samples?

A5: Of course yes, we offer sample free!
