

## Insulated Flexible Duct

China manufacturer High quality hydroponic growing system 4 inch 100mm aluminum foil insulated flexible duct. The insulated flexible duct is used in center air-conditioning,HVAC system ,Hydroponic system heat resistance.

### Product Description

#### Insulated flexible duct

China manufacturer High quality hydroponic growing system 4 inch 100mm aluminum foil insulated flexible duct.

#### product introduction of the insulated flexible duct

- 1.This duct is constructed from high quality aluminum and poly
- 2.It's a range of fully flexible insulated ducting, it is easy to connect to ducting.
- 3.Highly flexible & Light Weight.
- 4.Excellent resistance to chemicals,Small bending radius.

#### product specification of the insulated flexible duct

Material	aluminum foil,polyester
Brand name	JUGE
color	Sliver ,Black or others
Use for	center air-conditioning,HVAC system , Hydroponic system heat resistance
Product name	Insulated flexible duct

#### product feature and application of the insulated flexible duct

Insulated flexible duct including Construction:aluminum duct+insulation+jacket.  
Environmentally friendly, it will not itch when touched, and it will not cause harm to the human body if it is inhaled.Function:it is used in center air-conditioning,HVAC system ,Hydroponic system heat resistance.

## **product details of the insulated flexible duct**

Our factory produced the insulated flexible duct by advance equipment with strict quality. All product polishing surface then powder coated. It can effectively strengthen indoor ventilation. Easy to install and stamping corner code is more firm.

## FAQ ( Frequently Asked Questions )

Give us a chance,we will offer our best!

Q1: How to guarantee the quality of the product?

A1: We have our own QC team to control product's quality during producing.

Q2: How to pack exported goods ?

A2: Paper corner protected + PVC bag + strong carton box (Standard Export Packing).

Q3: How long for a full container 20/40ft be finished ?

A3: Usual 15-20 work days once revied advance payment.

Q4: What we need to quote the best price for you ?

A4: Just send us an inquiry, so easy!
