

Spiral Flexible Duct

China manufacturer High quality hot sale galvanized steel spiral air spiral flexible duct. The spiral flexible duct advantages: light weight, good demeanor, easy bending, simple connection, small coefficient of friction and good concrete bonding

Product Description

Spiral flexible duct

China manufacturer High quality hot sale galvanized steel spiral air spiral flexible duct.

product introduction of the spiral flexible duct

- 1.low resistance,high density,
- 2.good feature of compression strength.
- 3.Fire-proof performance better than steel plate,oxygen index 100, non-burning grade A.

product specification of the spiral flexible duct

Material	galvanized
Brand name	JUGE
color	galvanized
Use for	Bridge Construction
Product name	Spiral flexible duct

product feature and application of the spiral flexible duct

The metal bellows are made of galvanized or non-galvanized thin steel strip by pressure wave and spiral folding bite with pipe coiling machine. Advantages: light weight, good demeanor, easy bending, simple connection, small coefficient of friction and good concrete bonding.

product details of the spiral flexible duct

Our factory produced the spiral flexible duct by advance equipment with strict quality. All product polishing surface then powder coated.It can effectively strengthen indoor ventilation.Easy to install and stamping corner code is more firm.

FAQ (Frequently Asked Questions)
