Benma produces high quality auto parts. We have several experienced workers to ensure that every product is perfect. We will continue to improve product quality according to customer requirements and feedback.

The company to "reasonable price, efficient production time, good after-sales service" for the purpose, we hope to cooperate with more customers, common development, mutual benefit. We welcome potential buyers to contact us.

## Product Detail

Foldable [bike rack for car hitch](#)

**SAFE AND SECURE, EVERY TRIP:** With tire and frame straps, locking easy-slide ratchet frame hooks, and a locking anti-wobble hitch system, your bike is safe and secure from bumps, bangs, and theft on this heavy-duty hitch bike rack.

**NO-SWEAT SETUP:** Spend more time on your bike and less time in the garage. Quickly assemble and install this bike rack and hit the road Easy-to-follow assembly instructions and all assembly and installation hardware included.

**ANYTIME ACCESS:** Reach for your gear without removing your bike rack. A quick-release tilt lever provides easy access to your vehicle's rear cargo area, no bike unloading required. This rack creates a low profile and stores easily when not in use, thanks to its compact folding design.
