

Shuangxin Fire Environmental Protection Equipment Factory

Introduction

Henan Shuangxin Fire Environmental Protection Equipment Manufacturing Co., Ltd is located in Shuangxin Industrial Park, Huaidu Road, Tongbai County, Nanyang City, Henan Province, China. It is a high-tech enterprise integrating design, manufacturing, R&D, production and sales. It is China's national key anti-epidemic material guarantee enterprise, AAA grade credit enterprise, designated production enterprise by the Ministry of Public Security Fire Products Conformity Assessment Center, Henan Province Science and Technology SMEs, Henan

Shuangxin Fire Environmental Protection Equipment Factory

Province Epidemic Prevention and Control Key Guarantee Material Manufacturers, and China Fire Protection Association, China Chamber of Commerce Intellectual Property Branch, China Refrigeration Industry Alliance, Henan Construction Association, Henan Refrigeration Society, Henan Environmental Protection Federation, Henan Fire Protection Association, Zhengzhou Purification Association, Zhengzhou Construction Association and other member units, it is Nanyang City Enterprise Technology Center, Ventilation and Water Supply Equipment Research Center recognized enterprises, and won the honorary title of "Return to Entrepreneurship Excellent Enterprise" in Nanyang.

The factory covers an area of more than 80 acres, a standard factory building of 30,000 square meters, another 1,000 square meters of professional high-efficiency filter production workshop for junior high school and a 6,000 square meters of purification board production workshop. Shuangxin company has more than 200 sets of modern production equipment, 218 R&D personnel and technical workers, and has complete product development, production and testing capabilities.

Shuangxin Company "based on the Central Plains, lays out the whole country, and faces the world". Its products are distributed in 31 provinces, municipalities and autonomous regions across the country, and distribution centers and offices have been established in Taiyuan, Hefei, Wuhan, Xi'an, Xining, Lhasa, Lanzhou, Yinchuan, Chengdu and other places. Shuangxin Company is qualified for self-support import and export trade. Some products have been exported to Australia, Russia, the United States, South Korea, Laos, Vietnam, Myanmar, Kuwait, Saudi Arabia, Serbia, Uzbekistan, Myanmar, Iran, Egypt, Mongolia, etc. Countries and regions.

During the 2020 new crown pneumonia epidemic, the purification and fire smoke exhaust products produced by Shuangxin Company successively assisted in the construction of Wuhan Huoshenshan Hospital, Wuhan Leishenshan Hospital, Wuhan Fangcai Hospital, Beijing Ditan Hospital, Tianjin Infectious Disease Hospital, etc. More than a dozen hospitals have been awarded the honorary title of "National Anti-epidemic Material Guarantee Enterprise" by the National Development and Reform Commission.

Shuangxin company focuses on the development, production and sales of environmental protection fog cannons, central air conditioning, clean purification, and fire smoke exhaust series products. Shuangxin environmental protection fog cannon has different types according to different classification methods. According to the operation mode: fully automatic remote control type, semi-automatic type, manual operation type, according to the shell material: carbon steel type, stainless steel type; according to the function of use: dust removal type, humidification type, spray type, fertilizer type, cooling type, Snow-making type; according to the driving method: electric direct drive, generator drive, hydraulic drive; according to the range and flow rate: super large fog cannon, large fog cannon, conventional fog cannon, mini fog cannon. According to the appearance style, it is divided into: vehicle-mounted mobile type, ground fixed type, ground mobile type, and tower fixed type; according to the connection method, it is divided into: integral type, split connection type, and semi-split box type. Optional functions include: explosion-proof, anti-freezing, ultra-low noise, PLC programming control, central sprinkler, time control, mobile phone APP, DCS control, etc. Shuangxin company can satisfy customers for different specifications and styles, different use functions, different materials, and different The color and other requirements of fog cannon products can be customized for customers according to the actual use of the site.

Products

Specifications

Model	30M	40M	50M	60M	70M	80M	100M	120M	Remarks
Total Power(kw)	5.6	11	48	24.75	29	46	69	73	
Pump Power	1.5	3	3	5.5	5.5	7.5	11	15	
Fan Power	3	7.5	11	18.5	22	37	55	55	
Max throw(m)	30	40	50	60	70	80	100	120	Without wind
Flow(L/min)	20-40	20-40	40-60	80-120	80-120	160-200	240-280	260-300	Adjustable
Nozzle qty(pcs)	30	28	46	60	70	80	100	120	Adjustable
Number of water rings	1/2 Can be customized								
Water pressure(kpa)	0-3.5								
Rotation angle	0-340° Can be customized								
Pitching angle	-5° ~30° Can be customized								
Power supply	3phase,380v/50hz								
Mode of operation	Manual/remote/control/automatic								
Protection grade	IP45-IP55								
The upper and lower steering mechanism	Hydraulic power station								
Remote control distance	100m								
Water supply source	Water pressure: normal pressure; Water quality: PH value 6-8, suspended solids must be \leq 50PPm								
Use environment	-20°C-50°C								

Optional functions: explosion-proof configuration, antifreeze function, frequency conversion control, PLC function, muffler function, stainless steel control cabinet, solenoid valve.

CERTIFICATE

Certificat - Certificado - Сертификат - Zertifikat - 證書

- 1) **APPLICANT:** (who finally puts the product on the market)
Henan Shuangxin Fire Protection equipment Manufacturing Co., Ltd.
South Huaitu Road, Industrial agglomeration area, Tongbai County
- 2) **CERTIFICATE NO.:** ISETC.001920201210
TECHNICAL REFERENCE: TCI201203051184
- 3) **ISET MARK:**

- 4) **CAUTION ABOUT CE MARKING** (Instruction for the Applicant who puts the product on the EU market):
 The label of the CE Marking on the left side should be not less than 5mm height. CE Marking and EC Declaration of Conformity are duties for the manufacturer or its applicant who puts the product on the market. This one is responsible to start the CE marking and certification procedure as required by the legislation in force. Only for the products which are compulsorily included into specific Directives or Regulations will be necessary to appoint a Notified Body.
- 5) **TYPE OF PRODUCT:** Spray gun machine
TRADE MARK: 
MODEL(S): SXWP80, SXWP25, SXWP30, SXWP40, SXWP50, SXWP60, SXWP70, SXWP90, SXWP100, SXWP110, SXWP120, SXWP150
- 6) **LIST OF DIRECTIVES / REGULATIONS / STANDARDS** (as declared by the manufacturer itself)
Machinery Directive 2006/42/EC
EN ISO 12100:2010, EN 60204-1:2018
- 7) **NOTE:** This document is not referred to any evaluation that could be considered as included in the scope of the activities covered by the standard BS EN ISO/IEC 17065:2012 or European Regulation 765/2008.
- 8) **REMARK:** Certificate is issued on voluntary application from the Client and it gives to the applicant the right to use and affix the ISET Mark on their products, even if it doesn't imply any assessment on the safety and compliance of the product. ISET declares that the only scope of the assessment is to verify the existence of the declaration issued by the manufacturer or an applicant under its own responsibilities.
- 9) **DATE OF ISSUE:** 10/12/2020 **EXPIRY DATE:** 09/12/2023

- 10) **SIGNATURE:** 
(On behalf of the Legal representative)

Shuangxin Fire Environmental Protection Equipment Factory

Application scenario:

Information:

Sales: Alios Lee; Contacts: Email: salesliyuan@gmail.com; WhatsApp/WeChat/

Skype: +8618665853252;

Address:

Shuangxin Industrial Park, Huaidu Road, Tongbai County, Nanyang City, Henan Province, China

Advantage:

Factory directly supply products are high quality with good price.

MADE IN CHINA
