For many years, we have been specializing in food contact grade paper products. In recently years, the factory has won the sincere love of customers by relying on its sincere reputation, professional and and enthusiastic service to convey the three excellent standard services of high quality materials, preferential prices and

excellent service to our customers.

You can rest assured to buy customized CHAHAO **3.7 oz straight edge cone paper cups** from us. We hope to establish friendly cooperative relationship with your company with high quality products, reasonable price, considerate service and create a better future hand in hand. Glad yourhave selected CHAHAO **3.7oz straight edge cone paper cups**. Compared with the flat bottom paper cup, the cone paper cup costs less and consumes less wood, and at the same time we use degradable paper material and pla coating, which is more convenient to throw away after eating. It is convenient and can be degraded by itself when discarded in the natural environment. It has a very good protective effect on animals and plants in the wild.
