For many years, we have been specializing in food contact grade paper products. We will always adhere to the principle of "quality first, client first," and we cordially invite customers to visit us for consultation.

You can rest assured to buy customized **6 oz straight edge cone paper cups** from us. Our product has been well accepted more than 20 countries, like USA, Canada, UK, Australia etc countries. Glad your have selected CHAHAO **6 oz straight edge cone paper cups**. Compared with the flat bottom paper cup, the cone paper cup costs less and consumes less wood, and at the same time we use degradable paper material and pla coating, which is more convenient to throw away after eating. It is convenient and can be degraded by itself when discarded in the natural environment. It has a very good protective effect on animals and plants in the wild. The 6oz capacity is much larger than other small size straight edge cone paper cups We recommend it to hold shaved ice or ice cream or diced fruit.
