

Single Forming Fabric for Test Liner Paper Making

FarEast (Xinhui) Paper-Making Fabric Co.,Ltd. is one of the largest polyester single forming fabric for test liner paper making manufacturer and supplier, located in Jiangmen City, China.

D-fabric® is founded in 1995, and we are specializing in the research and production of forming fabric and dryer screen for almost 30 years. We can supply you the stable and high quality for the forming fabric and dryer screen with the best price. Expected to start a long term

cooperation relationship with you in China

This single forming fabric for test liner paper making is made by excellent quality polyester & nylon that is single layer structure. It is widely used in Paper Industry. The weft yarn in the bottom is big and long-span that is greatly increase the service life. It is with good dewatering, good dimensional stability and long service life. It can be used for top wire/bottom wire of multi-wire paper machine.

Product Parameter (Specification)

Model	Layer	Material
CXW19505	One Layer	Polyester&Nylon

Product Feature

There are SSB triple layers, 2.5 layers, 1.5 layers, single layer forming fabric used for forming section of paper machine. This single forming fabric for test liner paper making is single layer forming fabric structure, and it is with good dewatering, good dimensional stability and long service life.

Product Application

This single forming fabric for test liner paper making is suitable to produce wrapping paper.

Product Details

The main characteristics of FarEast single forming fabric for test liner paper making are with good dewatering, good dimensional stability, long service life. Its characteristics and the best seaming structure promote the paper quality for paper mills. FarEast forming fabric help many paper mills manufacture excellent quality paper and keep the stable quality.

5. Company Details

Our quality system has been assessed and meets the ISO9001:2008 quality standard by TUV, and we have obtained 15 related patents, including 6 international patents. Our product quality has been in the forefront amongst the industry of paper machine clothing, receiving numerous awards and honors.

D-fabric® has cutting-edge paper production and testing equipment that were imported from Germany, Sweden and Norway. All our paper-making fabrics are produced with the advanced production and testing equipment to ensure the best quality of paper-making fabric.
