

## 316L Seamless Sanitary Grade Pipe

Zhejiang Bewell Steel Co., Ltd. is a large professional spot production factory in China, mainly producing Bewell® 316L seamless sanitary grade pipe, TP304 stainless steel pipe, TP316L stainless steel pipe, 2205 stainless steel pipe, 2520 stainless steel pipe, 2507 stainless steel pipe, TP304L, 316Ti, TP321, 321H, 904L, 347H and other austenitic stainless steel and duplex stainless steel pipe. Since its inception, Zhejiang Bewell Steel Co., Ltd. has been the quality of product as the root of business survival, the quality of service as the bridge to our success. We sincerely hope to establish business contacts with our customers, in the fierce competition in the market, can be firmly based and great achievements, should thank the majority of customers and colleagues for their support and love.

## Product Description

Bewell® 316L Seamless Sanitary Grade Pipe are used for better surface finishes, especially in smaller sizes. You can purchase  $\frac{3}{4}$ " and  $\frac{1}{2}$ " seamless tubes with a 15RA ID surface finish directly on the mill. Once welded tubes were not possible due to the surface roughness around the weld seam. Improved manufacturing techniques in welded tubes have also alleviated this concern.

### Parameter(Specification) of the Bewell® 316L Seamless Sanitary Grade Pipe

item	316L Seamless Sanitary Grade Pipe
Standard	JIS, AISI, ASTM, GB, DIN, EN
Place of Origin	China
Producer	zhejiang
Brand Name	Bewell®
Model Number	316L
Type	Welded
Steel Grade	300 Series
Application	Decoration Food Grade

Certification	ISO
Welding Line Type	ERW
Tolerance	±5%
Processing Service	Bending, Welding, Decoiling, Punching, Cutting, Moulding
Grade	316L
Product name	Food Grade 304 304L 316 316L Mirror Polished Stainless Steel Pipe
Material	304 304L 316 316L
Key words1	Food Grade 304 304L Stainless pipe
Key words2	Mirror Polished Stainless Steel Pipe
Key words3	304 304L 316 316L Sanitary Piping
MOQ	1 Ton
Payment terms	L/C T/T (30%DEPOSIT)
Surface	Bright Finish
Sample	Provide
Price Term	CIF CFR FOB EX-WORK

### **Feature and application of the Bewell® 316L Seamless Sanitary Grade Pipe**

#### **Features:**

Uniform structure and hardness

No seams

Good sealing

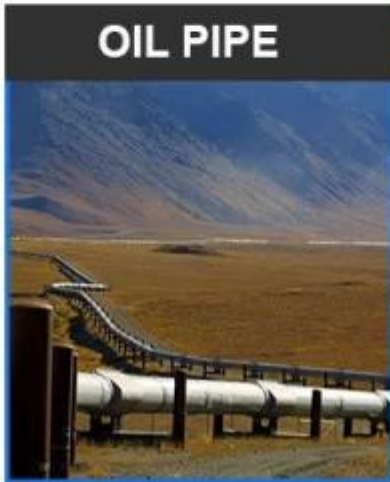

(4) High liquidity

#### **Application scenarios:**

**APPLICATION  
FIELD**

**WATER PIPE**
