

## N08367(6Mo) Stainless Steel Seamless Pipe

As the professional manufacture, we would like to provide you high quality N08367(6Mo) Stainless Steel Seamless Pipe. And we will offer you the best after-sale service and timely delivery. Zhejiang Bewell Steel Co., Ltd. is a domestic enterprise specializing in the production, processing and sales of finished products such as Bewell® seamless pipes, welded pipes, pipe fittings, flanges and steel bars made of Bewell® stainless steel, duplex steel and high nickel alloy. In addition, we are experts in global export and have successfully supplied to more than 60 countries/regions. We insist on "Quality First, Reputation First", if you have any questions, please feel free to contact us.

## Product Description

Zhejiang Bewell Steel Co., Ltd. Produces Bewell® stainless steel welded tubes with high precision, uniform wall thickness and high brightness in the internal appearance of the tubes, where the surface grade of the Bewell® steel plate determines the surface brightness of the tube, and the company can set the size arbitrarily according to customer requirements. Therefore, it is economical and beautiful.

### Parameter(Specification) of the Bewell® N08367(6Mo) Stainless Steel Seamless Pipe

|               |                                                                                 |
|---------------|---------------------------------------------------------------------------------|
| Product name  | Bewell® Stainless Steel Seamless Pipe                                           |
| Grade         | 201,202,303, 303Cu,304,304L,316,316L,310S,316Ti,321,430,904L,etc.               |
| Standard      | AISI,ASTM,DIN,JIS,BS,NB                                                         |
| Certification | SGS,BV,IQI,TUV,ISO,etc.                                                         |
| Origin        | Tisco, baosteel, jiusteel ,etc.                                                 |
| Specification | Wire: 0.01-10mm<br>Strip: 0.05*5.0-5.0*250mm<br>Bar: φ4-50mm;Length 2000-5000mm |

| Package       | clients' requirement and Standard export sea-worthy packing                                                                                                                                                                                                                                                                                                           |

## Feature and application of the Bewell® N08367(6Mo) Stainless Steel Seamless Pipe

### Features:

Health and environmental protection

No rusting

(3) sturdy and durable

(4) low replacement frequency

### Application scenarios:

Zhejiang Bewell Steel Industry Co.,Ltd.

Phone:+86-18072196625

E-mail:\_bwss@vip.163.com

## ALIPPICATION

STAINLESS STEEL WELDED PIPE

Petrochemical

Boiler pipes

Sanitation tubes

Machine Tool

Food grade pipes

water pipe

## FAQ

1. Q: Are you a factory or a trading company?

A: We not only have our own factory but also have own trading company.

2. Q: Can you provide samples?

A: Yes, if the sample is available in stock.

3. Q: Can you arrange the shipment?

A: Sure, we have permanent freight forwarder who can gain the best price from most ship company and offer professional service.

4. Q: What is the delivery time?

Zhejiang Bewell Steel Industry Co.,Ltd.

Phone:+86-18072196625

E-mail: [bwss@vip.163.com](mailto:bwss@vip.163.com)

A: It is based on the order, normally 15 - 20 days after receiving the deposit or L/C at sight.

5. Q: Do you have quality control?

A: Yes, we have gained BV, SGS authentication.

6. Q: What are your payment terms?

A: T/T, 30% advance, and balance against the copy of B/L within 3-5 days OR 100% irrevocable L/C at sight.

7.Q: What is your MOQ?

A: 5 tons for common size, or mix sizes for a 20 GP container.
