

N08904(904L) Stainless Steel Seamless Pipe

Zhejiang Bewell Steel Co., Ltd. is a famous Bewell® n08904(904l) stainless steel seamless pipe manufacturer in China, we have many years of production experience, so my quality is far ahead of the industry, but we still strive to improve the quality and improve the delivery time to ensure our customers will receive the highest quality products.

Product Description

Bewell® Stainless steel seamless steel pipe is made from ingots rolled into round steel, hot-perforated to obtain a billet and then hot-rolled, cold-rolled or cold-drawn to make a Bewell® seamless tube. When you choose Zhejiang Bewell Co., you will not have technical or quality concerns. We have been engaged in the production of seamless pipes for more than ten years and ensure that we can provide you with the best quality.

Parameter(Specification) of the Bewell® N08904(904L) Stainless Steel Seamless Pipe

Product name	Bewell® N08904(904L) Stainless Steel Seamless Pipe
Shape	Round.square.Rectangle
Material	ASTM A312/304/304L/304H/316/316L/317/321/310/904L
Technique	Stainless Steel Seamless Pipe
Keyword	Stainless Steel Seamless Pipe
Material Grade	201/304/304L/310/314/314L/316/316L/430/409/321/420/2205/2507/
Length	Customer's Request
Payment	30%TT+70% Balance
Thickness	0.4-30mm
Thickness	CIF CFR FOB EX-WORK
