

S32750 Stainless Steel Welded Pipe

Zhejiang Bewell Steel Industry Ltd. is one of the leading manufacturers of s32750 stainless steel welded pipe and duplex steel stainless steel welded tubes in Zhejiang, you can be assured to buy high quality stainless steel tubes from our factory, we will provide you with the best after-sales service and prompt delivery.

Below is the introduction of Bewell® duplex seamless pipe we produce, we hope it can help you better Bewell® duplex seamless pipe. Welcome new and old customers to continue to cooperate with us and create a bright future together!

Product Description

Bewell® Super duplex stainless steel pipe has good welding performance, compared with ferritic stainless steel and austenitic stainless steel, it is neither like ferritic stainless steel welding heat-affected zone, due to severe grain coarsening and plastic toughness significantly reduced, nor like austenitic stainless steel, it is more sensitive to welding heat cracks, is your best choice.

Parameter(Specification) of the Bewell® S32750 Stainless Steel Welded Pipe

item	value
Standard	JIS
Place of Origin	zhejiang, China
Brand Name	Bewell®
Model Number	304,304L,316,316
Type	Stainless Steel Welded Pipe
Steel Grade	300 Series, 301L, 301, 316L, 316, 304, 304L
Application	Construction, Decoration and Industry etc.
Welding Line Type	Seamless
Tolerance	±1%
Processing Service	Bending, Welding, Decoiling, Punching, Cutting

Zhejiang Bewell Steel Industry Co.,Ltd.

Phone:+86-18072196625

E-mail: bwss@vip.163.com

Grade	300 Series/200 Series/400 Series
Section Shape	Round
	30mm
Alloy Or Not	Non-Alloy
Steel Grade	301L, 301, 316L, 316, 304, 304L
Surface Finish	2B
Invoicing	by theoretical weight
Keyword	Stainless Steel Pipe/Tube
Packing	According to customer needs
Technique	Cold Drawing or hot rolled
Capability	Corrosion resistance,High ductility,Heat resistance
Certification	ISO
Form	Foils, Shim Sheet, Rolls, Perforated Sheet, Chequered P
Edge	Mill Edge or Slit Edge
Finish	No.1 No.3 No.4 HL 2B BA 4K 8K 1D 2D
Special request	Can be customized
Material	201/202/304/309/309S/310/310S/304/304L/316/316L

Feature and application of the Bewell® S32750 Stainless Steel Welded Pipe

Features:

Smooth

burr-free

(3) high tensile and fatigue strength

(4) stable chemical composition

Application scenarios:
