

4 Core Electrical 25mm 70mm 95mm 120mm 300mm Power Cable

LONGDA cable is 4 Core Electrical 25mm 70mm 95mm 120mm 300mm Power Cable manufacture from china, mainly produce 1-35kV power cables (including XLPE insulated cables, PVC insulated cables, SWA/STA armored cables), (XLPE/PVC insulated ABC cable), control cables, welding cables, rubber cables, mining cables and electrical wires (PVC sheathed flexible cable) in China. These cables can be used for power transmission in air, underground and industry, such as power station, railway, agriculture, and estate. We

strictly according to GB, IEC, BS, ICEA, ASTM, DIN, VED, JIS standards to manufacture the products, and also we can design and produce according to customers' requirements.

Longda cable is one 4 Core Electrical 25mm 70mm 95mm 120mm 300mm Power Cable factory from China, can offer the free Flexible Copper Conductor Electric Grounding Cable Bare Copper Wire sample , low price , and good service, if you have any question. Pls contact with us.

The structure of the cable is composed of a single or two 0.9mm tightly packed optical fiber and several strands of aramid fiber. LSZH or PE sheath is extruded on the periphery of the cable to form the central soft fiber cable, and then two FRP are placed symmetrically on both sides of the cable, and finally polyvinyl sheath is extruded to form the cable.

Model Number:VV22
Insulation Material:PVC
Type:LOW VOLTAGE
Application:Telecommunication
Conductor Material:Copper
Model:VV22
Material:Copper/PVC/steel strip
Color:Black
Shape:drum
Characteristics:high conductivity
MOQ:1000 meters
Size:1*1.5mm²-1*630mm² ... 4*300mm²+1*150mm²

WHY CHOOSE US?

Power Cable Production Process:

We produce the power cable use the high quality aluminum/annealed copper conductor material and natural XLPE (cross-linked polyethylene)/PVC polyvinyl chloride insulation material, Every production process has been strictly checked by our professional technical engineers.

Package & Delivery:

Power cable package by iron or wooden drum or according to client's requirement

Customer Case:

Our power cable products have been exported to more than 30 countries, such as: Russian, America, Yemen, South America, North America, Middle East, Africa, Asia, Oceania countries and etc.

Product features

Conductor: Aluminum or Copper
Armoured: SWA(Steel Wire Armoured) / STA(Steel Tape Armoured) or Non-Armoured
Insulation: PVC/LSF/Fire Resistant
Cores: 1, 2, 3, 4, 5, 3+1, 4+1, 3+2
Section Area: 1.5mm²-300mm²
Standard: IEC 60502, BS 7870, GB/T12706 or other.
Packaging: Iron Or Wooden Drum
Application: Building, Engineered, Railway, Plant construction, Shool, Hospital, Underground and so on.
We can customize the size according to your requirement.

FAQ**A) Whether You Could Make Our Brand On Your Products?**

Yes. We Can Print Your Logo On Both The Products And The Packages If You Can Meet Our Moq.

B) How To Guarantee The Quality Of Your Products?

- 1) Strict Detection During Production.
- 2) Strict Sampling Inspection On Products Before Shipment And Intact Product Packaging Ensured.
