

Special Telephone Communication Cable For Coal Mine

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality Special telephone communication cable for coal mine. We look forward to cooperating with you. We hope to establish friendly cooperative relationship with your company with high quality products, reasonable price, considerate service and create a better future hand in hand.

LONGDA cable is Special telephone communication cable for coal mine manufacture from china, mainly produce 1-35kV power cables (including XLPE insulated cables, PVC insulated cables, SWA/STA armored cables), (XLPE/PVC insulated ABC cable), control cables, welding cables, rubber cables, mining cables and electrical wires (PVC sheathed flexible cable) in China. These cables can be used for power transmission in air, underground and industry, such as power station, railway, agriculture, and estate. We strictly according to GB, IEC, BS, ICEA, ASTM, DIN, VED, JIS standards to manufacture the products, and also we can design and produce according to customers' requirements.

Longda cable can OEM/ODM service available, help you on designing. Prompt quotation for your inquiry. More than 10 years experiences in cable and wire field. Professional connector and cable manufacturer, with good quality and competitive price.

mining cable communication cable Specification:

Model	Core No.*Conductor No.	Conduct No/single wire diameter	Insulation thickness	Sheath thickness	Insulation resistance
MHYV	1*2	7/0.28mm	0.45mm	1.6mm	≥ 3000M 惟/km
	2*2	7/0.28mm	0.45mm	1.6mm	≥ 3000M 惟/km
	5*2	7/0.28mm	0.45mm	1.6mm	≥ 3000M 惟/km
	1*4	7/0.28mm	0.45mm	1.6mm	≥ 3000M 惟

Telephone cable link

Xinbo uses the new PVC / PE raw material, it's flame retardant, wear-resistant, waterproof.

Recycled particles are bad performance for flame retardant and waterproof.

Xinbo uses 99.99% oxygen-free pure copper as conductor, it's low resistivity and good flexibility.

Copper wire scrap is high resistance, unstable signal.

FAQ

1 Are you manufacturer or trading company?

--We are manufacturer of communication cable, lan cable, fiber optic cable, pv solar cable, power cable...

2 Can i get some samples?How about the cost?

--We provide communication cable, fiber optic cable, pv solar cable, power cable samples for free, but customers need to afford the freight.

3 What is the payment terms?

--Usually T/T, L/C, Western Union, paypal, etc.

4 What is the delivery time ?

--Usually 3-5 days, also depend on quantity.
