

### **XLPE Power Cable Single Core Copper 35mm**

We can produce all kinds of high quality new energy vehicles wire, including LV HV car cable, mainly used in AC/DC charging system of electrical vehicles, as the connection cable between AC and DC charging connector of vehicles and charging piles. Longda cable manufacture in China can offer you XLPE Power Cable Single Core Copper 35mm samples, Samples of XLPE power Cable Single Core Copper 35mm is free provided, but need pay the courier freight. If you have a courier account, you can send your courier to collect samples.

Longda cable is a factory from China, which sells XLPE Power Cable Single Core Copper 35mm. With the support of longda cable factory ,Main products:Bare stranded conductors, such as AAC, ACSR, AAAC, ACAR, aluminum clad steel conductor; 0.6/1KV aerial bundled cable (ABC Cable), different voltages of XLPE insulated cables, armored cables, control cables, rubber insulated cables, PVC insulated wires and cables. Longda cable products have gained ISO9001, CCC and China Compulsory Certifications and International Text System certification and so on.Export market:We have exported wires & cables to many countries in the Middle East, Africa, Asia, South America.

Model Number: XELP Power Cable 1/3 Core

Insulation Material: Xlpe

Type: 3.6/6kV - 26/36kV

Application: Construction

Conductor Material: Copper

Jacket: PVC

Conductor: Copper Core

Armour: Steel Tape

Product name: Power Cable

Insulation: XLPE

Sheath: PVC/ PE

Voltage: 3.6/6kV - 26/36kV

MOQ: 1000 Meters

Material: Copper + XPLE + PE/PVC

Standard: GB/T12706-2008

Keywords: Copper Cable

## WHY CHOOSE US?

### Power Cable Production Process:

We produce the power cable use the high quality aluminum/annealed copper conductor material and natural XLPE (cross-linked polyethylene)/PVC polyvinyl chloride insulation material, Every production process has been strictly checked by our professional technical engineers.

### Package & Delivery:

Power cable package by iron or wooden drum or according to client's requirement

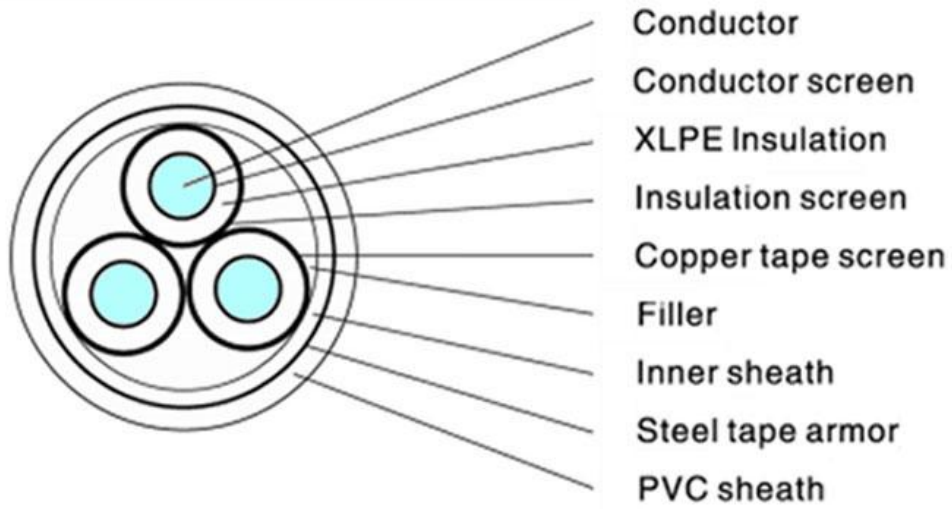

### Customer Case:

Our power cable products have been exported to more than 30 countries, such as: Russian, America, Yemen, South America, North America, Middle East, Africa, Asia, Oceania countries and etc.

## Product Structure

## Product Structure

## CERTIFICATION

Our products obtained ISO9001:2002 and CCC, PCCC, SGS, BV certificates. We strictly according to GB,IEC,BS,ICEA, ASTM, DIN, VED, JIS standards to manufacture the products, and also we can design and produce according to customers' requirements.

 <h3>PRICE</h3> <p>We have our own factory, therefore, we can provide you a reasonable and cheap price.</p>	 <h3>QUALITY</h3> <p>We can provide all the product is satisfied to the standard. In the package and delivery, we can do it according to your requirement, the delivery time is also provided.</p>	 <h3>OEM</h3> <p>In viewing of so many standards and types, we can also provide the customization services. As long as you need, just send us your requirement, high quantity and low price cables is ready for you.</p>
