

SS-PR18

Diamond Shape Carbon Padel

Racquet

SPARK SHOT is a high end **diamond shape carbon padel racket** manufacturer and supplier in China. High-end attack padel racket. Manufactured with 12K carbon fiber and LD15 ZOTE foam EVA, which ensures a stronger shots. Its diamond shape make it an attack racket. Highly recommended for high-level players with great punch and looking for the best power.

Model Number: SS-PR18

Diamond shape carbon padel racket Model SS-PR18 is favored shape of many professional players.

12K CARBON:

high modulus carbon fibre fabric weave incorporated into the racket face construction for optimum consistency & performance.

LD15 Foam EVA:

A special application of low-density elastic EVA combines with a reinforced face fabric spec for exceptional comfort and feel, with extra power at low swing speeds.

REINFORCED CONSTRUCTION

Structural reinforcement applied around the bridge area of the racket providing additional stability and control with lower air resistance for increased swing speed and maneuverability.

PARAMETERS:

	Model Number:	SS-PR18
	Face Material:	Fiber Glass / Carbon / 3K / 12K / 18K / Plating / Kevlar / Triaxial Carbon / Customized
	Frame Material:	Carbon / Fiber Glass / Customized
	EVA:	12C to 22C
	Weight:	360g ± 10g / 370g ± 10g / Customized
	Balance:	260mm ± 10mm / 270mm ± 10mm / Customized
	Thickness:	38mm
	Length:	470mm
	Frame Size:	85.5 Sq.in.
	Handle:	#2
	Strap:	Standard or Customized
	End Cap:	Standard or Customized

Customized Service:

Except the standard **diamond shape carbon padel racquet** SS-PR18, we could provide a lot customized options of layups, painting, straps, end caps etc.

Material Options of Carbon Padel Racket:

			
UD Carbon	3K	12K	18K
			
Silver Electroplated 3K	Electroplated 18K	3K Kevlar	Triaxial Carbon

Customized Painting Options:

			
3D Decals	Laser Silver Foil Decal	Matt / Gloss	Grit

What can we do for customers:

- 1, Customize logo, customize painting, as well as customize packing.
- 2, Develop your own mould carbon padel rackets, carbon squash rackets, carbon tennis rackets etc. (ODM & OEM)
