

600W Portable Power Station

Sinovo is a leading China 600W Portable Power Station manufacturers. The OPS600 is the minrange portable power station of Sinovo - that is safe, stable. A single unit packs a huge 576Wh capacities, and it supplies 600W AC outputs, and a fast recharging efficiency, which perfect for powering mutiple appliances for hours on end during a blackout. It will suit your need, and restore happiness - whenever, wherever, for camping, RV/Van life, any outdoor activities, or emergency home backup.

Product Description

High quality **600W Portable Power Station** is offered by China manufacturers Sinovo. Buy **600W Portable Power Station** which is of high quality directly with low price.

600W Portable Power Station Parameter (Specification)

BATTERY INFO

Capacity: 576Wh (40*3.6V*5Ah)
 Cell Chemistry: Li-ion 21700 batteries
 Lifecycle: >1000 cycles to 80%+ capacity
 Management System: BMS, Over Voltage Protection, Short Circuit Protection

RECHARGE TIMES

AC Adapter: 5 Hours
 12V Car Adaptor: 5 Hours
 Two SolarSaga 100W Solar Panels: 8 Hours

PORTS

Environmental

AC Output:	220VAC, 50Hz, / 110VAC, 60Hz, 600W (1200W Surge)	Weight:	5.82 kg
DC Output:	12V-13V, 10A (10W) X 3	Dimensions (LxWxD):	258*249*212mm
USB-A Output:	5-6.5V, 3A / 6.5-9V, 2A / 9-12V, 1.5A (18W) X 2	Operating Usage Temperature:	-10-45°C
Quick Charge 3.0 Output:	5V, 9V, 12V, 15V, 20V up to 5A (100W) X 1	Certification:	CEC, DOE, FCC, QC3.0, ROHS, CA Prop 65
USB-C Output:	5V, 9V, 12V up to 3A (27W) X 1	Warranty:	24 Months
Car Output:	12V-13V, 10A (10W) X 1		
DC Input:	5V-24.5V (125W Max)		
Type-c Input	5V, 2.4A / 9V, 3A/12V, 3A/15V, 3A /20V, 5A		

600W Portable Power Station Feature

The OPS600 - **600W Portable Power Station**

Power almost anything, Compatible with 99% common devices

Multiple interfaces:

4 Ways to Recharge:

Solar panel

Wall socket

Vehicle's 12V output

PD Input

3 Ways to Output:

6 standard Pure Sine Wave AC outlets

2*USB-C , 2*Quick Charge 3.0 port

1* car cigarette lighter

3* DC OUT

600W Portable Power Station Application

Power Outdoors and Care Families

RV camping / Off Road / Fishing / Hunting / VAN life / Backyard Getaway / Emergency
With its compact and wireless design, OPS600 is one of the best Portable Power Station for your outdoor party. It could power your essential outdoor appliances and electronics such as blender, pellet smoker, ice shaver, radio, and projector. When you need power in special circumstances, Sinovo OPS600 portable power station can also be your reliable backup power supply for refrigerators, CPAP/BiPAP, computers etc.

600W Portable Power Station Details

1W LED Lighting

Built-in SOS LED lighting, which can be used as an Spotlights or as a reading lights.

* Warm White Lamp Beads

* Frosted Lampshade

* Strong Brightness

* Soft Light Mode

Smart Display

Sinovo OPS600 has a smart LED display panle , which calculates the charging time and the remaining working time according to the working status of the power consumption product , and the working status of the portable power station is clearly visible..

Portable Power Bank

600W High Power

Multiple output interfaces
