## Multiple Drainage Holes Bamboo Fiber Flower Plant Pots

JENNIFER'S MFG.LTD.,HAIYAN is a large **Multiple Drainage Holes Bamboo Fiber Flower Plant Pots** manufacturer and supplier in China. We have been specialized in bamboo fiber flower pots for 15 years. Therefore, we have a leading position in field of Environmental protection. The material of bamboo fiber is made of bamboo powder and buried in the soil. Under the combined action of temperature, humidity and microorganisms, the surface will crack after 18 months, and then gradually decompose. It is precisely because of the promotion of the concept of environmental protection that we are also actively looking for partners with the same concept.
