

DIN6915 10 HV hex nuts

Ningbo Haixin Hardware is a DIN6915 10 HV hex nuts manufacturer in China. We have been specialized in HV nuts for 25 years. After many years development, our production technology and quality level are in the leading position in China. We hope to establish friendly cooperative relationship with your company with high quality products, reasonable price, considerate service and create a better future together.

DIN6915 10 HV hex nuts are the main products of Ningbo Haixin Hardware Co., Ltd. These high-strength hexagon nuts are with large widths across flats for structural steel bolting connection. DIN6915 10 HV hex nuts are always compatible with DIN6914 hex bolts. The mechanical property should meet DIN EN20898-2.
