

Amorho® is an **RGB bathroom mirror** manufacturing brand with a focus on quality and service. We mainly focus on fashion **RGB bathroom mirror** and we also have 3 years warranty, we look forward to become the best **RGB bathroom mirror** brand. You are welcomed to come to our factory to buy the fashion and high-quality **RGB bathroom mirror**. We look forward to cooperating with you.

This Amorho® **RGB Bathroom Mirror** have short press to defog. Auto off after 1 hour, long press to adjust the brightness of the light. Dimmable range 20%-100%. Short press to change the color you like.

【 Front Lights+ RGB Backlit+ Black Frame 】 - Updated Design of two built-in LED strips on the mirror with black metal frame. This Amorho® **RGB Bathroom Mirror** are bright enough for makeup or shave or beauty care. No dark, no shadow, super clear. There are 8 light modes for backlight (cold light, white light, warm light, colorful, pink, red, green, blue) and 3 light modes for front light (cold light, white light, warm light)

【 Anti-Fog Mirror 】 - A clear mirror after shower is essential. Now, the **RGB Bathroom Mirror** is realizable by our anti-fog mirror. Simple click the defogging touch button on the mirror, and the defroster will work. A clear mirror will emerge

【Super Bright & Dimmable】 Amorho **RGB Bathroom Mirror** vanity mirror has very bright quality LED lights. You can turn on the front and backlit at the same time, or use one of them alone, just like most other lighted mirrors on Amazon, but our colorful backlight will add a nice glow and feel of luxury to your room.

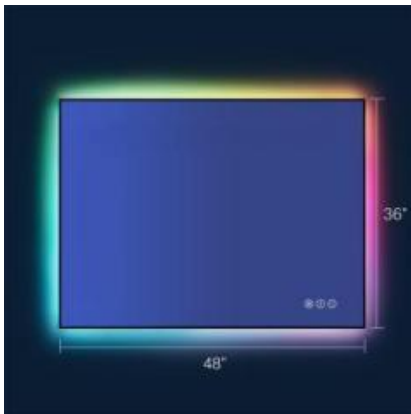

【Front Light Switch】 You can short press the middle button to change the color temperature among soft, natural, cool white and turn on/off the light. Long press to adjust the brightness of the light from 20% to 100%.

【RGB Backlight Switch】 Short press the right button to change the color among colorful, cold white, light green, deep green, sky blue, red, blue. Long press to adjust the brightness. If you like multiple colors cycle around the backside of the mirror, like a walking rainbow line, then you get!

【 Simple Install and Powered by Plugin/ Wall Switch 】 - Mount the long bracket on the wall and hang the **RGB Bathroom Mirror** on it with a bracket on the back. You can use the plug for power or hardwire it to wall switch. It is better done by a professional electrician if you want to hardwire it. The indicator button is on in white and off in blue.

【 3 Year Warranty 】 - Please contact us by message for any problems. We will settle it at the fastest time. Hope Amorho RGB mirror will be part of your new bathroom, and brings brightness and colors to you.
