

## **ASHG 16 SEER Single Stage Heat Pump**

High-efficiency design saves money every day. Wholesale advanced, easy-maintainable, latest Selling ASHG 16 SEER Single Stage Heat Pump from AirStow. As one of the ASHG 16 SEER Single Stage Heat Pump manufacturers, suppliers and factory, we have our own brands. If you are interested in our high-quality ASHG 16 SEER Single Stage Heat Pump, please contact us.

**You are welcomed to come to our factory to buy the high-quality ASHG 16 SEER Single Stage Heat Pump. You can rest assured to buy discount product from us. We look forward to cooperating with you, if you want to know more, you can consult us now, we will reply to you in time!**

## **ASHG 16 SEER Single Stage Heat Pump**

High-efficiency design saves money every day.

### **Features**

- Advanced control system Demand Defrost minimizes defrost cycles, reducing energy costs while maintaining comfort
- Unit can be matched with a Airstow® residential gas furnace to create a dual-fuel comfort system that automatically switches between heat sources based on energy costs or capacity
- Single-stage scroll compressor is a robust, time-tested design that can stand up to the rigors presented while comfort conditioning a home
- Top Discharge - Warm air is blown up, away from the structure and any landscaping and allows compact location on multi-unit applications.

- An impact-resistant, powder-painted, galvanized steel, two-piece extruded louver coil guard protects your investment, yet is easy to remove for cleaning
- Automotive-grade, powder-paint finish is 1,000-hours salt-spray rated to provide years of corrosion-free performance
- Environmentally Friendly - CFC-free R-410A refrigerant delivers environmentally friendly performance with zero ozone depletion.
- Low Operating Sound Levels - Developed using CFD and FEA tools, the sturdy cabinet and top design provides sound performance of 76 dBA or lower. Compatible accessories for further sound reduction are also available.
