

1500lm Portable Job Site Work Light Strong Magnetic Base

As a professional high quality 1500lm Portable Job Site Work Light Strong Magnetic Base manufacturer, Carelite always has strong interest in the design and production of Job Site Spotlight since its foundation back in 2009. With the experienced R&D team, efficient manufacturing process, professional sales team and qualified control, we have managed to ensure the product with stable quality, competitive price and good

service.

Product Description

This Carelite [1500lm Portable Job Site Work Light Strong Magnetic Base](#) is a portable floodlight suitable for any outdoor and indoor work. It's granted with the best materials on the market in China: 6000K, 20W COB, aluminum, Nylon & TPR, stronger 6600mAh battery capacity, impact resistance, drop resistance, and IP65 waterproof. Every product has undergone strict quality inspection at factory. With its reasonable price, a quality light is always the necessary choice for all users.

The work light provides strong mode of max 1500 Lumens, weak mode, SOS flash and strobe total of 4 modes. With the 360° rotating magnetic handle/stand and a large wide-angle irradiation range, it can provide you with enough lighting during power outages.

The work light also works as a convenient power bank for charging your smart phone and other mobile devices in case of emergency. The portable flood beam light is well constructed with massive die-cast aluminum, ensuring a longer lifespan.
