We support one-piece delivery, customized samples, and provide image data packages. Work with any outdoor enthusiast to explore the fun of outdoor experience together.

Product Description

This **Powerful High CRI LED Work Light for Car Body Detailing** for car exterior detailing is the most comprehensive and sophisticated of its kind in the world, featuring high CRI value and multiple colour temperatures. The specialized lighting solutions with superior quality are made for colour matching, detailing and general paint work and are usable everywhere a painted surface needs inspection. It is the ultimate tool for the professional detailer, providing ideal conditions for accurate colour match and highlighting and discovering imperfections.

Comes with a 180 degree swivel base that's equipped with powerful integrated magnets and tripod screw port for flexible mounting. This gives you high flexibility and application possibilities for internal inspection of cars and other narrow areas. A rechargeable built-in power bank with USB outlet makes it possible to charge mobile devices.
