You can rest assured to buy Vintage Style Rechargeable Camping Light from Carelite factory and we will offer you the best after-sale service and timely delivery. With the rapid growth, our factory has become a priority supplier in line of lighting products with professional design, excellent quality and reasonable price.

Product Description

This Carelite **Vintage Style Rechargeable Camping Light** is a Versatile Rechargeable Dimmable LED Lantern made by our factory for both of outdoor and indoor use. A most ideal decoration for your home, you can hang it on the wall, under the tree, put it on the table or beside your bed. Carelite has been active in the design and production of camping light since its foundation back in 2009, we always adhere to the principle of good faith to meet customer's needs.

The tent light will cheer you up with the style of traditional natural materials. The warm glow shines out through the intricate cage, which will impress your guests and friends. The lantern can be powered either by the self-contained rechargeable Lithium-Ion battery or AA battery X 3, practical and convenient

Our hanging lantern can be also used in barn, garden, tent, bar, hotel, nightclub, party, church and emergencies. When camping, fishing or hiking, take this LED retro hurricane lantern, no matter in the mountain, primeval forest or beside the river, it will always work with its inside rechargeable battery or AA battery, you'll never be blown out.
